McCRAY FOR LAKE COUNTY.

Lake county republican voters must not be allowed to forget that Warren T. McCray is Lake county's candidate for governor as opposed to the Marion county ring, out for Fesler tooth and toe nail. As the representative of Lake county's district which is the tenth, McCray is surely entitled to support by Lake county voters.

It is a well-established fact that Lake county has long complained because it is never given proper recognition in state politics. Marion county, for reasons best known to itself, has always stuck its thumb to its nose when any one mentions Lake county or its claims. The capital and the capital's politicians have always resented Lake county's plea for any sort of recognition and ignored her right and left. Lake county does not exist as far as Marion county is concerned. The day has gone by when Lake county has to get down on its knees and act the supplicant in politics. It has not been so long ago that it saved the state's electoral vote for the national republican ticket.

As a matter of fact, Lake county should have furnished the republican candidate for governor in Indiana this year. It was strong enough to do so, but in lieu of the opportunity it should at least support a man who is heart and soul with Lake county and who will see that it gets its just dues.

GOMPERS NOT A DICTATOR.

Mr. Gompers will find out when the votes are counted next November that the working people of the country ask nothing but a square deal and that they will not be the white chips of radical leaders. There is no man in public life in America who has been a better friend of labor than Senator Albert B. Cummins of Iowa, although Cummins has never placed the interests of labor above that of the country as a whole. No man is a true friend of labor who proposes to grant or aid in granting special privileges to one class at the sacrifice of the rights of all. This Senator Cummins has never done. When it fell to his duty to help frame a railroad bill, Senator Cummins drafted a plan for the

advice for re-nomination to the office of Coroner on the Republican ticket at the primaries, May 4, 1920.

I have been in office but two months because in Lake county the Treasurer and Coroner do not assume their offices until a year after the other county officers have, and trying to carry on the affairs of the office in a manner to merit the support of the electors at the coming primary.

EDWARD E. EVANS, M. D.

FOR SHERIFF.

Editor Times: Kindly announce that I will be a candidate for the nomination for Sheriff of Lake county at the primaries on May 4th. I trust that my record for the protection of the public, especially the Negro, will entitle me to the confidence of the voters.

ALBERT C. HURTER, Gary, Ind.

FOR PROSECUTING ATTORNEY.

Editor Times: Will you kindly announce through the columns of your paper that I am a can-

adjudication of wage and other disputes between employers and employees, so that controversies could be settled with justice to all concerned, and then inserted in the bill a section that made it unlawful for two or more persons, either employers or employees, to conspire to interrupt interstate commerce.

Those provisions of the bill were designed to insure the reasonable adjustment of disputes and at the same time to protect the whole country in its right to continuous railroad transportation. Because he stood for the public welfare, and coincident therewith, for the rights of the railroad employees, Mr. Cummins has been marked by Mr. Gompers for political slaughter at the polls in November. Mr. Gompers will find that he mistakes the intelligence and the public spirit of the voters of Iowa. He will find that not only the Iowa farmers who depend upon rail service for the transportation of their crops, the merchants who must have continuous supplies of commodities, and city consumers who depend upon the railroads for their daily food, but the employees of railroads as well will give their approving votes to Senator Cummins. The Iowa senator will be re-elected next November by the largest plurality in his political career.
