WHITING —and its— PEOPLE

Miss Blanche Cameron of East Chicago was the guest of Whiting friends Tuesday evening.

John McCabe has returned from Washington, D. C., where he was for several months engaged as door keeper in the senate.

Senator Hiram Johnson speaks tonight at Hammond at Seven Sharp. Gary at 8:30. 4-29-1

Whiting friends of James Champlain former a local boy who spent several years in Egypt where he was employed.

ITCH!
Money back without question if HUNT'S Salve fails in the treatment of ITCH, ECZEMA, RINGWORM, TETTER or other itching skin diseases. Try it 75 cent box at our risk.
Joseph W. Weis, Druggist.

MY TIRED FEET ACHED FOR "TIZ"

Let your sore, swollen, aching feet spread out in a Bath of "Tiz."

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunion-tortured feet of yours in a "Tiz" bath. Your toes will wriggle with joy; they will look up at you and almost talk and then they'll take another dive in that "Tiz" bath.

When your feet feel like lumps of lead—all tired out—just try "Tiz." It's grand—it's glorious. Your feet will dance with joy; also you will find all pain gone from corns, callouses and bunions.

There's nothing like "Tiz." It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture.

Get a box of "Tiz" at any drug or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.—adv

by the Standard Oil Co., will be interested to hear of his new living in Canada for his health, having suffered a nervous breakdown from hard work and the rigor of the climate in Egypt. Michael Kammer of Tinglewood visited Whiting relatives on Wednesday evening.

Andrew Kammer of Oliver street has returned from St. John where he spent a few weeks assisting his daughter-in-law in the St. John postoffice where he served as postmaster for several years.

Mrs. John C. Hall of Oliver street, was hostess to a number of friends on yesterday with a luncheon at Fields at noon, after which the ladies saw Grace George in "The Ruined Lady" at the Princess theatre. The party consisted of Mrs. F. M. Rogers and guest, Miss Scates, Mrs. G. Cash, Mrs. Harry Griesmer, Mrs. Chas. Ewing, Mrs. Warren Reaubien, Mrs. Walter Smith, Mrs. R. F. Storer and Mrs. Hall.

Senator Hiram Johnson speaks tonight at Hammond at Seven Sharp. Gary at 8:30. 4-29-1

ROBERTSDALE

Mrs. Paul Hurnchek who died on Monday at her home on Myrtle avenue after a lingering illness, was buried on Wednesday morning at St. John's Slavish church with Rev. Father Benedict, preaching the funeral services. She leaves besides her husband five small children, the oldest eight years old, interment took place at the

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system. If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results. Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 10c and 25c.

St. John's cemetery in Hammond, undertaken by Harn, having charge of the funeral.

Mrs. Pavell and daughter, Mrs. Geo. Kenyon of Indianapolis boulevard were visitors in Chicago Tuesday.

Mr. and Mrs. Charles Rousch of Hammond were guests at the Moore home on Myrtle avenue the fore part of the week.

Mrs. Paul Dobbertine of Myrtle avenue, gave a six o'clock dinner Tuesday evening in honor of Mr. Dobbertine's birthday anniversary. The dinner was served in courses, the tables looked beautiful with covers laid for twelve couples, after the dinner the guests spent a most enjoyable evening.

Miss Sallie Juller of Elkhart, Ind., spent the last weekend with her brother Ed, Juller and family of Indianapolis boulevard.

Mr. and Mrs. A. Schaffer and family and Mrs. H. Thieson and family visited Mr. and Mrs. W. Bahn parents of Mrs. Schaffer and Mrs. Thieson of East Side the fore part of this week.

Mr. and Mrs. George Bader of Myrtle avenue were in Chicago on business on Wednesday.

Mrs. Ruth Anderson of East Side was a guest at the Bader home on

Strong Women

By Dr. Valentine Mott

Women and men too—are just as strong and healthy as their blood. It is likewise true that a man or a woman is as young as his or her arteries. Vigor and health come with good blood. Without good red blood one has a weak heart and poor nerves.

In the spring is the best time to take stock of one's condition. If the blood is thin and watery, face pale or pimply, if one is generally weak, tired and listless, a spring tonic should be taken. One that will do the spring housecleaning, an old-fashioned herbal remedy that was used by everybody 50 years ago is still safe and same because it contains no alcohol or narcotic. It is made up of Blood root, Oregon Grape root, Queen's root, Stone root, Cherry Bark, without alcohol, and made into both liquid and tablets. This blood tonic was first put out by Dr. Pierce in bottle-to-use form and since then has been sold by the million bottles as Dr. Pierce's Golden Medical Discovery. If druggists do not keep this in tablet form, send 60 cents for a vial to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y. Write for free book on blood disorders, or for free medical advice.

ENURESIS

[Bedwetting]

and ENURESOL

Enuresis, commonly called bed wetting in children, incontinence of urine in adults, is more common in boys than in girls. Enuresis has been considered incurable when it persists beyond puberty.

Incontinence of urine is more common in women than in men. Constant or very frequent micturition indicates some abnormality or disease.

Enuresis may be caused by paralysis, the secretion of a large amount of urine, as in diabetes, calculus (gravel), cystitis, irritation of the penis, worms, unduly profound sleep, dreams or gastric disturbance from late or unwholesome meals, but the most frequent cause is no doubt a defective innervation of the genito-urinary organs.

This theory has been proven by the uniformly good results obtained with Enuresol in young and old people, as the following typical cases of our records show:

Case No. 46. R. D., age 14, has always been a bed wetter, although apparently well otherwise. Her parents tried many treatments, medical and mechanical, without benefit. Five days after beginning Enuresol she stopped wetting the bed, but continued the treatment four weeks longer and has had no return of the trouble since. Four years ago N. C., eight years old, never missed wetting the bed every night. Took Enuresol and after the first week did not wet the bed any more.

The case of Mrs. W., age 44, is also worth mentioning. Has never had a full night's sleep, having to get up four to eight times a night. Visited Hot Springs, mud baths, sanatoria, and was operated on twice, in two different hospitals, without benefit. Six weeks of Enuresol cured her completely, three years ago, and has had no return of the troublesome nuisance.

The case of E. J., seventy-five years old, is no less interesting. For over twenty-five years E. J. suffered with incontinence of urine day and night. As he grew older the trouble increased, having to pass water every half hour and oftener. Had a stroke of paralysis, which increased the trouble to such an extent that only a few drops of bloody urine could be voided, with intense pain, causing surgeons to suspect cancer of the bladder. Being placed on Enuresol at the dose of two tablets every two hours with a glass of cool water or milk, the tenesmus disappeared in twelve hours and had a good restful sleep the next night, and fully recovered perfect health in the next three months. Mr. E. J. is now 85 years old and at last report was still alive and well.

It is important to regulate the diet, and over-eating, coffee and sour food and drinks, pickles, vinegar, lemonade, should be avoided.

In many cases it happens that one box is enough to obtain a cure. This remedy is absolutely safe, harmless, being a tonic for the kidneys and nervous system, it is dependable for weak, nervous, restless, slow-growing, languid children.

A fair trial of Enuresol will convince anyone of its value.
