

# LIQUID FIRE HOOLIGANS BOMBARD U. S. ACTRESS

A liquid fire to bedbugs, ants, roaches and fleas is what the new chemical discovery really is, although there is no danger or no damage to be done by using it to your springs, furniture or clothing. This new chemical is known as Pesky Devils Quietus, P. D. Q. Costs 50c, but this few cents will have the power of ridding your house of bedbugs, ants, roaches and fleas if you purchase it. P. D. Q. is used and recommended by the leading Hospitals and Railroad Companies as the safest and quickest way of ridding the pesky bedbugs, ants, roaches.

Special Hospital size \$2.50—makes five gallons—your druggist has it or can procure it for you or sent prepaid either size to your address on receipt of price by the Owl Chemical Co., Terre Haute, Ind. The success of P. D. Q. has caused imitators to have been prosecuted, peddling an imitation. Genuine P. D. Q. is never peddled.—Adv.

The critic of the Daily News picked up one of the missiles thrown at the stage from the gallery. It was a box labelled "poudre infernal" (infernal powder).

Regular first night galleryites and the bulk of the people in the theatre were indignant at the demonstration, which provided one of the most sensational evenings London theatre-goers have ever seen. It was generally agreed that the opposition did not come from regular patrons.

"The facts are," said one, "that a gang visited the theatre with the express intention of creating a disturbance. The artists may rest assured that the demonstration was not directed at them, nor was it a protest against American plays or players."

The Daily Express said today: "It was indefensible. The British public will wipe out the disgrace next Saturday night when an attempt will be made to re-open the play."

HOME RUNS by Paskert and Robinson contributed to Jim Vaughn's nice victory over the Cardinals.

## MOTHER GRAY'S POWDERS BENEFIT MANY CHILDREN

Thousands of mothers have found Mother Gray's Sweet Powders an excellent remedy for children complaining of headaches, colds, feverishness, stomach troubles and other irregularities from which children suffer during these days and excellent results are accomplished by its use. Used by mothers for over 30 years. Sold by druggists everywhere.—Adv.

## TAGGING ALL THE BASES

By JACK VEIOCK  
I. N. S. Sports Editor

HERO FOR A DAY—Claude Williams of the White Sox. The little southpaw pitched a two-hit game against the hard-hitting Cleveland Indians and won for Chicago.

THE RED SOX took the lead in the American League race when Joe Bush subdued the Athletics while his mates scored seven runs on four hits and five athletic errors.

HIDING on the wings of a gust of wind that toyed with it and tossed it about, Zack Wheat's Texas rangers over Fletcher's head led to the three Brooklyn runs and victory over the Giants.

WALTER JOHNSON is NOT going back. The Yanks will testify that the incomparable Walter is just as unshakable as ever.

THE TIGERS ought to feel "natural" having lost eleven straight games. Al-so Theron of the Browns blanked Detroit with five hits.

# Crystal

## Electric Washer & Wringer

"Oh, it Washes Everything"

Charming little afternoon gowns, Voiles, Dotted Swiss and even hand worked underthings are just as safe in the Crystal as the coarser household fabrics.

Because the Crystal cylinder turns only in one direction through the steaming, bubbling suds it washes with an easy gentleness. And the scientific construction of its interior insures a thorough cleansing in fifteen minutes or less.

Because of this one way principle, the Crystal is a superior WASHING MACHINE—silent, strong, simple, thorough going and gentle.

SEE IT TODAY IN OUR DISPLAY ROOM.

We are making daily demonstrations. They are practical and instructive. Drop in for a minute or two and see how easily the Crystal will do your washing.
