The first prussian guard which is
now in control of Kronstadt, is re-
ported in these advices to be made up of
disgruntled communists who would
condemn Lenin as readily as they
would condemn Trotsky, and whose chief
complaint seems to lie in their belief
that the communists at Kronstadt are get-
ting more than their share of the spoils
of government.

They are, in fact, the most part sailors
without families or responsibilities.

**TROTZKY HAS A
NARROW ESCAPE**

**PAINS IN
SIDE AND BACK**

Caused by Woman's Ills and
Cured by Lydia E. Pinkham's
Vegetable Compound

Grafton, Pa.—"I was troubled with
inflammation and pains in my sides and
back. After doctoring with different
doctors and not getting relief, I had al-
most given up hopes when my sister told
me of Lydia E. Pinkham's Vegetable
Compound, and knowing that she had
really been helped by it, I purchased it. I
was unable to do my work at that time,
but after taking several bottles of the
Vegetable Compound I can now do anything
about the house or farm that a woman
should do. I have a four month
old baby that is the healthiest and
biggest baby for his age that I have ever
seen. I am willing for my letter to be
used for a testimonial to tell other suffer-
ing women how much your medicine
has done for me, as I give Lydia E.
Pinkham's Vegetable Compound all the
praise."—Mrs. BLAIR L. FISHER, R.D. 1,
Box 37, Grafton, Pa.

Working early and late—lifting,
carrying, and the heaviest of household
tasks—is any wonder that it results in
backaches and kindred ills? But every
woman who suffers as Mrs. Fisher did
should profit by her experience and
give Lydia E. Pinkham's Vegetable
Compound a fair trial.

THREE SEPARATE

RUSSIAN MOVEMENTS

Triple Revolt Against Le-
nine-Trotzky Govern-
ment is Seen

BY HARRY L. ROGERS

ST. LOUIS BUREAU AT STATE CAPITAL

WASHINGTON, March 12.—There are
no less than three distinct and separate
movements of sizeable proportions
against the Lenin-Trotzky government
in Russia, according to official advices
received here today. The revolt at
Kronstadt which has attracted perhaps
more general attention than the others,
is to many observers less significant and
less dangerous to the soviet government
than the others.

The first prussian guard which is
now in control of Kronstadt, is re-
ported in these advices to be made up of
disgruntled communists who would
condemn Lenin as readily as they
would condemn Trotsky, and whose chief
complaint seems to lie in their belief
that the communists at Kronstadt are get-
ting more than their share of the spoils
of government.

They are, in fact, the most part sailors
without families or responsibilities.
