Campfires Aokibe and Keesecona played to a good sized audience at the Hartley theater last night. It was very well done and the girls and women training them deserve the compliments they are receiving. The entertainment consisted of a reel portraying the activities of Camp Fire life and a play entitled Minnetoska's Dream together with a model ceremonial meeting of the local Camp Fires and some special music of Indian selections by Mr. Herald A. Jones of Chicago. The Camp Fires were assisted by the Blue Birds, the Junior girls organization. Much attention had been given to costumes which added much to the attractiveness of the variety

ous scenes. As a compliment to the Camp Fires, a volunteer band of a dozen pieces played several selections before the theater and in leading in a parade about the city.

"Chums" is the title of the address which Mr. Gogle of Chicago will deliver at the First Methodist church of East Chicago this evening at 8 o'clock.
