

20 More Roads In Petition

CHICAGO, June 20.—Twenty more roads, not included in two previous reduction orders, today petitioned the United States Railroad Labor Board to include them in the July 1 wage reductions. The roads ask for complete abolition of the twenty per cent increase granted last year and for the additional twelve per cent reduction given more than 100 roads on June 1.

The principal roads petition today were the Michigan Central, the Santa Fe, the Illinois Central, the Big Four and the Erie.

A decision by the board today in favor of the unions ruled that the Brotherhood of Railway and Steamship Clerks express and station employees could enter negotiations for new working conditions for both members and non-members. Heretofore working conditions usually affected only union workers.

INDIANA SEPARATE UNIT IN 'DRY' ENFORCEMENT

Morgan to Have Entire Charge of All Works; New Group Headquarters.

Indiana is to be a separate unit in the enforcement of the federal prohibition law, according to information received Friday afternoon by Bert Morgan, federal prohibition director for Indiana, from Senator James E. Watson.

The change will place all the federal enforcement agents directly under the charge of Mr. Morgan, whereas now they operate under the direction of a central headquarters at Chicago. The state now forms part of the central department, which includes Illinois, Ohio, Wisconsin and Michigan, and which is supervised by John Kjellander, supervising agent at Chicago.

Mr. Morgan proposes to establish group headquarters at Terre Haute and Hammond in addition to the group headquarters at Indianapolis and Richmond. His plans also to combine the two branches of the service, one being his department with the field agents having supervision of the commercial use of alcohol, and the other being the office of R. H. Abel who now has charge of the enforcement agents operating in the southern part of the state.

Senator Watson notified Mr. Morgan that he would "have charge of entire enforcement in Indiana with all forces under you for all purposes." Mr. Morgan said he has received many applications for positions in his department, and that he will make his selections on a basis of efficiency.

SENATE HAS BIG FIGHT IN PROSPECT

WASHINGTON, June 20.—The senate today plunged into what threatens to be a long, bitterly fought battle between the advocates of government regulation of "big business" and the opponents of "less government in business."

The immediate issue was the Federal Reserve bill, which would place behind the opposition and support centered upon it was the renewed warfare between the forces seeking to have the government direct the production, transportation and marketing of food of

clothes and of fuel and those who contend that they should be left to the law of supply and demand, and of private business.

The Freilinger bill gives the right of way as the "unfinished business" of the senate, was the vehicle for fresh onslaughts upon the Buchanan transportation act by Senator La Follette, chairman of the transportation sub-committee of the senatorial "Agricultural bloc" and other senators, upon dragging the whole railroad problem before the senate again.

GEORGE TO ANNOUNCE NEW IRISH POLICY

LONDON, June 20.—An important announcement from the throne on Irish policy will be delivered by King George when he formally opens the northern Ireland (Ulster) parliament at Belfast on Wednesday. It was learned today.

Premier Lloyd George, Sir James Craig, premier of Ulster, Lord Fitzalan, Irish viceroy, and Sir Hamar Greenwood, chief secretary for Ireland, are all co-operating in the authorship of the king's speech. Owing to numerous revisions it is not yet in complete form. Queen Mary will accompany the king to Ireland.

Six persons, including two members of the crown forces and four civilians were killed in week-end violence in Ireland. Ten soldiers and policemen and eleven civilians were wounded. A military officer was shot dead while motoring from Garrick to Dublin.

MUST BE SETTLED ON BATTLEFIELD

LONDON, June 20.—The Near East issue between Greece and Nationalist Turkey must be settled on the field of battle and not in the peace chamber, according to Smyrna telegram to the Daily Telegraph today, quoting Dr. Stratos, an official of the Greek government. Dr. Stratos has just arrived at Smyrna, at the head of a Greek parliamentary committee which is going to the front. Dr. Stratos was quoted as saying:

"Mediation is not acceptable. We cannot yield Thrace and Smyrna. The only solution is by force of arms. A military offensive is necessary to bring the Turks into a more reasonable state of mind."

his home in the hills of Kentucky. He ran away and landed with the carnival gang. The long hair, grasse paint and fangs made a different man of him.

"How about that raw beef stunt?" asked the Humane officer.

"Oh, that's easy," replied the hill billy. "You see I just slip it under my shirt. Loom, and he took his old hat and with a deft motion apparently crammed it into his mouth. Then he pulled it out at the neck of his shirt.

"But they say your boss pokes you with a spear to keep you subdued," was the next point raised.

"Well, he did get pretty rough yesterday, admitted Ugo. "He punched me pretty close to this eye and he jabbed me another in the ribs. It hurt like sixty."

"Why didn't you holler?" asked Chief Nitz.

"Holler nothing. Man when I'm in that cage I ain't supposed to know nothing."

FLOOD PICTURES AT DE LUXE

The speed with which the Parthe theatre, which furnishes the news in moving pictures, covers the field is well illustrated in the interesting series of pictures of the Pueblo flood, which are being shown today and Tuesday at the De Luxe theatre in Hammond.

great aid to the campaign for money, food and clothing which are in progress all over the country.

From the "Squeal Book"

City water is leaking from pipes at 383 and 203 Truman avenue.

An Overland roadster is at the police station. It was found on Hamlin street, between Truman and Indiana avenue, without lights late last night. The license number is Indiana 194894.

Two persons are missing in Whiting. The Hammond police have been asked to locate them in this city, if possible. One is Walter Skalka, 861 Schrage avenue. He is a Polish boy, six years old. He left his home to go to the canal to fish. He has a round face, blue eyes, light brown hair, wore a straw hat and overalls. The other is Mike Koniz, 627 Davison place. He is described as being "a little off." He was an inmate of Logansport at one time. He is a Slav, five feet six inches tall, weighs about 140, black curly hair and dark suit. Left home yesterday afternoon.

DO YOU OBSERVE CITY TRAFFIC LAW?

Please observe Hammonds traffic laws, as explained by various signs and warnings written in large white letters on the streets and sidewalks. Please be careful about parking your car at any point where one of the signs is painted along the sidewalk. A white line will mark the limits where you must not leave your car. Most of these points are further protected by upright signs at each end of the forbidden space. Be careful about parking near the pipes. Each one in the downtown section has the white lines parallel with the curb, marking the limits of the protected space.

In parking your car if there is difficulty in finding a space on one of the main thoroughfares, use a side street. Plummer avenue east of Nohman street is a good, but little used place for leaving your car. It is well lighted, well paved and wide enough to allow plenty of room for passing cars.

Do not neglect the stop signs painted in large letters on main streets. These signs at intersections mean that the users of the street upon which you are about to turn have the right of way. Violation of these rules will get you into trouble. The police have orders to enforce all ordinances pertaining to the use of the city streets.

The little white cards have been tied to cars by the hundreds, and still they continue to come in. Ignorance is no excuse.

Don't pass a street car when it is discharging or taking on passengers.

TRUCK DRIVERS ON BOULEVARD

The war on truck drivers who insist on ignoring the signs telling them to keep off of Calumet boulevard has been continued over the week end. The offenders are practically all from Chicago, and most of them know that they are not supposed to drive on the thoroughfare. They have been getting away with it up to now and they are much put out because the Hammond cops did not notify them that the enforcement was in effect. These Chicago men were fined \$10 each for violating the ordinance. Mike Capelito, 2817 Shields avenue, Arthur McKay, 4508 Champlain street, Thomas Kierdon, 6744 Clermont avenue, Ralph Morelli, 230 West Twenty-second place, Elmer Dick, 1215 Cottage Grove, V. Johnson, 33 West Thirty-first street, Naton Frank 310 East Fifty-third street, Edward Shea, 1506 West 112th street, Tony Dobranski, East Hammond and Mattie Smith colored, were fined \$15 for being drunk.

MARKETS

INTERNATIONAL NEWS SERVICE NEW YORK, June 20.—The stock market closed unsettled today. The market was weaker in the late trading than at any period during the day. Many issues failed to find buyers between sales and carrying prices down to the lowest levels reached so far this season.

General Asphalt was in large supply, dropping over seven points to 44, while Mexican Petroleum fell from 100 to 95 followed by a rally to 105. Studebaker sold down five points to 69, and Chandler sold over two points down to 55. U. S. Steel sold down to 71. A loss of over three points for the day and another new low record for the past five years. The railroad issues continued in large supply. Reading falling over five points to 61, while Northern Pacific broke 4 points to 64 and Southern Pacific fell nearly three points to 68.

Government bonds unchanged; railway and other bonds unsettled. Total sales today 1,248,799 shares, bonds \$11,439,000.

GARAGES ENTERED

Thieves victimized several Hammond people in the last two days. The heaviest loser was the garage at the corner of Kenwood avenue and Calumet boulevard. The garage was entered Saturday night and a fire and sixteen tubes were stolen. The property is valued at more than \$100. Entrance was gained through a rear door. An inside door was sprung.

William Schwader, 149 West street, lost \$45 worth of hose, nails, hinges and first floor sash. The thieves took them in the absence of the owner.

SEARCH FOR O'CONNOR

The extensive search for Tommy O'Connor notorious Chicago gunman led to Gary late Saturday night. The Chicago shogun was in custody at a tip that O'Connor was in Gary and made a flying trip here.

Sweeping down upon a house at 158 Washington street, together with plainclothesmen Knott and Connolly of the Gary police department, the Chicago department arrested two men, James Stanton, 31 years old, 471 Van Buren street, and Harry Feldhouse, 26 years old, living at the La Plant Hotel in Chicago.

BIG THRONG ATTENDS GARY CHAUTAUQUA

The first night of the Gary Chautauqua, given under the Mutual Chautauqua was given at the minister tent at Sixth avenue and Washington street in Gary last night, attracting a large gathering.

The program started yesterday afternoon with a Junior Frolic, consisting of games and a ticket hunt for the youngsters. The Craven family, rendering a grand concert, were the evening performers. Introducing vocal quartets, comedy costume sketches, saxophone quartets and many original novelty numbers. The Chautauqua will last five days.

FOUND IN ROAD

Clarence Bilas (colored) of Gary is confined at a sanitarium at 22nd avenue and Washington street today, the victim of a stabbing affray which may prove fatal. He was found in a serious condition at 17th avenue and Adams street early yesterday morning. He was questioned by the police but refused to divulge the name of his assailant or tell anything concerning the stabbing.

BOY IS STABBED

Rudolph Harold, Gary youth residing at 336 Polk street, was found at 11th avenue and Broadway yesterday bleeding severely from a wound on his hand which he claimed was inflicted by a newboy by the name of Andy Rish with a knife. A physician was called and it was found necessary to take a number of stitches to close up the wound.
