

LIVE NEWS FROM THE TWIN CITIES.

IT WILL BE POSTPONED.

It was announced today that the awarding of the Hopmobile touring car of the American Legion would be postponed until Saturday night, July 23, 1921, due to the fact that so many books are out of town and have not been accounted for. The band stand at the corner of Chicago and Mason avenues, East Chicago, has been designated as the place of awarding.

Persons holding tickets on this machine are asked to remit all cash that they have on hand by 6 p. m. Saturday evening, July 9, keeping remainder of books until Saturday, July 23.

The last word from the chairman of the auto committee is "All in" and "Work Hard" and the legion will put the car over in "Big" style.

NEW LABOR RATE.

When the General American Tank works reopened last Tuesday, July 5, they established a 33 cent common labor rate against their former rate of 19 cents. The plant is working nine hours straight time at present.

COL. HILEY TO SPEAK.

Col. Walter J. Hiley is scheduled to speak before members of the Kiwanis club at Hammond Tuesday noon, July 26. His subject will be "The Old and New World."

DR. HALE ON TRIP.

A postal card has been received from Dr. R. P. Hale saying that he is getting ready for the fall hunt in the wonderful west. What kind of a hunt, doctor?

JONES ON VACATION.

Alfred Jones, advertising manager of the Riley banks, is taking a leave of absence to extend over the warm weather. Mr. Jones has mapped out a vacation trip out up through the northern part of Wisconsin, stopping over on his return at Milwaukee.

AUTO STOLEN.

Louis Ferrini, of 5042 Olcott avenue, East Chicago, reported to the police station last night that his 5-passenger Hupmobile was stolen from in front of his friend's home at 3522 Grapevine boulevard.

SPEEDERS WARNED.

Automobile speeders along Grapevine boulevard, in East Chicago, have been having it pretty easy so far, but they had better knock on wood for the people living along this street who are raising up in arms by the way the situation has been handled and are going after a remedy. Community meetings are being held on this street to see if there is some way of stopping the accidents and deaths along this street.

The park board has promised to place the traffic signs along this street in more conspicuous places than the automobile drivers might see them day or night. This has not been accomplished. And to make this street appear more like a boulevard, members of the board have suggested a lighting system. However, this idea is still in its infancy and up to the property owners as to whether they are willing to stand the special assessment that will be levied against them for this improvement. A petition is being circulated now that requires 75 per cent of property owners before any move can be made by the park board.

The speed copper, whose main stand is along Grapevine, said yesterday that every fellow who was violating the traffic ordinance on Grapevine boulevard.

DOESN'T NEED HIS CRUTCH AND CANE

Ft. Wayne Citizen Says He Is As Spry As a Boy and Feels Fine Now.

"Nobody that could see me now getting around as spry as a boy would think that a short time ago I was hobbling along on a crutch and cane," said John J. Lading, 422 LaSalle St., Fort Wayne, Ind., in relating his remarkable experience with Tanlac. "I suffered a long time from rheumatism in my shoulders, back and knees and finally had to take to my bed and stay there five weeks. When I did get up I could not walk a step without a crutch or a cane. "I was in this condition when I began to take Tanlac and it wasn't long before I was absolutely free from the rheumatism and feeling as fine as I ever did in my life. For several years before I had the rheumatism I also suffered from stomach trouble in a bad form. Everything I ate turned sour and formed gas that would make me gasp for breath and at times caused awful palpitation of the heart. Tanlac put my stomach in first-class condition and I eat anything I want now and never feel the slightest distress afterwards. I had no idea that a medicine could do what Tanlac has done for me and I think everybody ought to know about this grand medicine."

Tanlac is sold in Hammond by Sumner's Pharmacy—Adv.

ward was taken to the station. However, the cop might slip up on a few during his feeding periods, but it is believed that he is doing his duty. Yesterday the speed copper brought to the station as violators of the traffic ordinance, Sam Blumenthal, 3306 Elm street; Louis H. Bernstein, 3511 West 14th street, Chicago; and Fred Kinkelman, 2911 Parrell street, Chicago. All were released with a warning for the second offense.

WILL GIVE AWAY PHONOGRAPH.

Mr. Sterling, owner of the Booster Cigar company, has announced that he will give away to the smokers of Booster cigars a beautiful Cathedral phonograph, valued at \$300.

At present the phonograph is on display at the Booster Cigar company.
