

50 FREE ADMISSION TICKETS

To See "Why Girls Leave Home" at the PARTHENON Theatre Starting Today

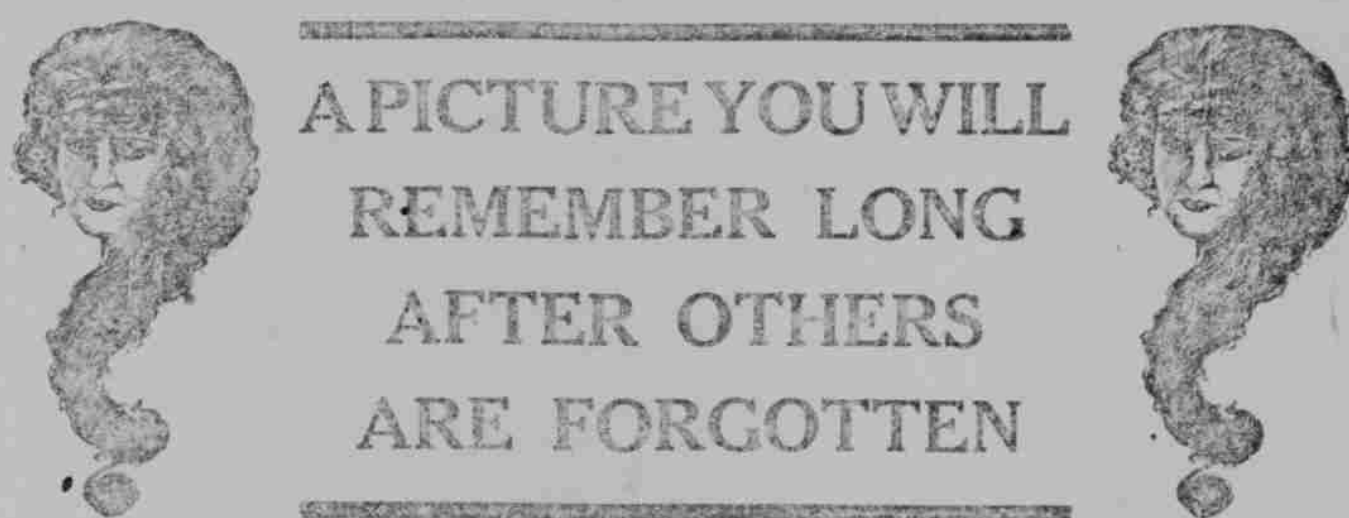

Here is a chance for every person in Hammond and vicinity to secure one or two admission tickets FREE to see "WHY GIRLS LEAVE HOME" at the PARTHENON THEATRE, five days starting today.

The advertisements on this page are arranged consecutively. In each of the ads, with the exception of Nagdeman's, a word has been purposely omitted. Read all the ads carefully, locate missing letters and arrange them in the accompanying blank form or one similarly arranged, giving in each instance the corrected word and the name of the advertiser.

In Nagdeman's ad a word has been purposely omitted. Supply the missing word and two tickets will be given FREE to the first five answers received. When you have the letters correctly arranged, they will spell a word that is often used in connection with the motion picture game.

For your little effort the PARTHENON THEATRE is going to distribute 40 FREE tickets. For the 20 nearest correct and neatest answers received on or before TEN O'CLOCK TUESDAY night at the box office of the PARTHENON THEATRE. For complete details see two tickets appear.
