MRS. LYMAN SAYS
AFTER THE "FLU"

Vinol is "Worth Its Weight In Gold"—It Builds Up Health and Strength So Quickly.

MRS. W. H. LYMAN
Mounds, Conn.—The "Flu" left me run-down with a weak heart and stomach, so I would often have sinking spells, and it was hard for me to keep around and do my housework. No matter what I took I did not seem to gain, but one day I read about Vinol in a paper and decided to try it. I soon felt better and it has built me up so fast that I can truly say it is the finest remedy known. It has proved "worth its weight in gold" to me, as it has restored my health so quickly.—Mrs. Wm. H. Lyman, Mounds, Conn.

Vinol owes its success to the tissue-building and creative elements of fresh cod's liver without oil, aided by the blood and strength-creating elements of temple iron and beef protein which it contains. Thus in a natural manner it creates a healthy appetite, aids digestion and makes rich, red blood. Summers Pharmacy, Holman near State St., Hammond, Ind.—Adv.

Waited Till the Cows Came Home

I am indeed glad to write you this letter. I was a terrible sufferer from gasses in the stomach and constipation. The specialist, our family doctor, sent me to Philadelphia, gave me no relief, although I took his medicine till the cows came home. He finally said I would have to be operated. Luckily I heard of Magie's Wonderful Remedy then, and although it is now three years since I took a course of it, I have never had a symptom of my old trouble since.

It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and relieves the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince one of money refunded. Summers Pharmacy and druggists everywhere.—Adv.
