

AFFAIRS AT THE COUNTY CAPITAL

The city council met in special session on Friday night and let the contract for the re-surfacing of Crown Point streets mainly for the preservation and the suppression of the dust nuisance. The contract for the work was let to Edward W. Anderson of Chicago for \$11,700. Approximately 26,000 gallons of Tut-tread will be put on the streets by means of a motor truck distributor. Before the application, the city will repair and sweep clear the streets on which the material will be applied.

Mr. and Mrs. John Berben left on Saturday for different points in Michigan, expecting to be gone a week. They made the trip in their new Dodge sedan.

Mr. and Mrs. Hersham of Marylandville spent the week-end with their son, George Hersham and family, Miss Bertina Hersham, who has been employed in the Crown Point schools the past year, returned home with them on Sunday.

Mr. and Mrs. Frank Henderson returned the latter part of the week from a two years' stay in Florida and are now occupying the Main st. home.

Casper Felcher, custodian of the Fair grounds was found guilty of assault and battery in the criminal court on Friday, on complaint of

Frank Warren, who was accosted by Felcher when he was entering the fair grounds several weeks ago. The evidence showed that Felcher had been on the look-out for several boys who had been cutting up pranks at the fair grounds and had mistaken young Warren for the other boys.

Plans and specifications are on file at the People's State bank in this city for the handsome new bank structure they are going to erect at the corner of Main and Joliet sts. where the Hoover barber shop now stands. The plans have been made by K. M. Vitzthum & Co., architects of Chicago. The building will be of stone and consists of virtually four stories and will cost in the neighborhood of \$100,000. The basement will be occupied by a barber shop, the second floor by the banking institution, the third floor will be the mezzanine floor and the fourth will consist of office rooms. The bids for the building will be opened June 3rd and work will be begun at once. The phenomenal growth of the People's State Bank necessitates their seeking more commodious quarters and their new building will be one of the finest in this section of the country. The People's State Bank was organized in 1907 and through courtesy and financial integrity of its officers, has risen to one of the finest banking institutions in the state.

POLICE CHIEF IN WARNING TO AUTOISTS

"Autoists who drink and attempt to drive cars while intoxicated endanger the lives of citizens in this city," said Police Chief J. H. Rompa. "It should be given a good stiff jail sentence."

This was the recommendation made by Chief of Police Rompa this morning as a means of putting a stop to the numerous accidents caused through drunken wreckless driving.

Steve Rompa, giving his address as 3716 Deodor street, Indiana Har- had been drinking, drove his Ford sedan into an Elgin car of C. W. Menke, of Chicago, and James La- gree of Hammond, driving a Nash, also crashed into the Elgin.

The accident occurred just off of Fifth avenue, west of Gary, on Cline avenue last night. Officers who investigated stated that Rompa had been drinking and that they smelled moonshine on his breath. Rompa denied that he had been drinking.

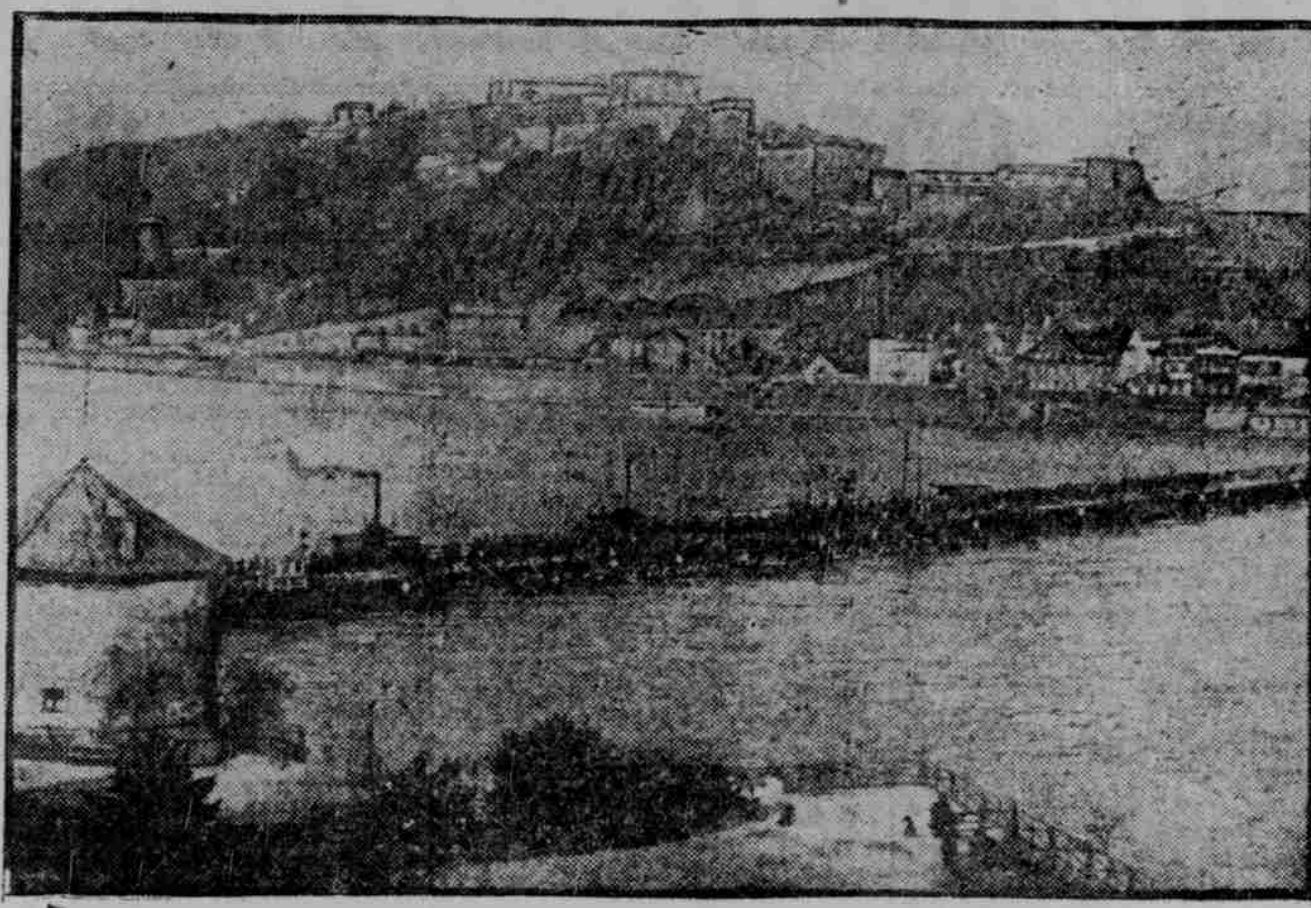

According to details of the accident Rompa passed the Elgin, both coming south, at a rate of speed of 25 miles an hour. Rompa's car swerved and became uncontrollable side-swiping the Nash machine. Unable to stop in time the Nash piled up against the Elgin.

All three cars were damaged.

HARDING FAILS TO ATTEND DEDICATION

Now Feminine Political Circles are Asking Themselves Why.

BY H. K. REYNOLDS

(STAFF CORRESPONDENT, N. S. SERVICE)

WASHINGTON, May 22.—Feminine political circles were buzzing with excitement and speculation here today over the mystery that has developed over the failure of President Harding to attend the dedication ceremonies of the opening of the new building of the woman's party.

A note from the white house addressed to Mrs. John Gordon Batte- lle announced the president would be unable to attend, arrived just an hour before the ceremonies started.

The note was signed by the president himself, but it contained no explanation of his reasons for not attending.

Charges were made today at the headquarters of the woman's party, which has been warring against the party, had influenced the president to change his mind at the eleventh hour. It is known that representatives of the league called at the white house some time after it was announced the president had accepted the invitation to the ceremonies to urge him to stay away.

The white house remained silent today concerning the affair, no explanation being forthcoming of the president's reasons for changing his mind, but Miss Edith Alinge, of Jamestown, N. Y., and other leaders of the woman's party, announced they would "demand an explanation."

"The president called me on the telephone at my hotel at 10 o'clock Saturday night," Mrs. Battelle said today. "He gave me his reason for not attending the dedication ceremonies, but I can not disclose it."

Mrs. Battelle is a personal friend of President Harding and is reported to have been a large contributor

to the republican campaign fund. "I do not know the explanation. You heard what Mrs. Battelle told us," said Alice Paul.

"The children weren't invited, because of the League of Women voters," said another leader of the party.

Mrs. Kate Richards O'Hare, leader of the "Children's Crusade," who is demanding amnesty for so-called political prisoners, advanced the opinion today that the president stayed away because the children who have been trying unsuccessfully to see him at the white house, were to be present.

"Word must have got to the White House that the children were there to picket him," Mrs. O'Hare said. "The children weren't invited, but they intended going anyway."

The mystery surrounding the failure of the president to attend the ceremonies is deepened by the fact that less than two hours before Mr. Harding's note was received, White House secret service men arrived at headquarters and took the usual precautions for the reception of the chief executive. They remained throughout the ceremonies, though the president didn't show up.

WEEK END GARY RAIDS

Week-end raids in Gary netted the police ten arrests on charges of prostitution, associating and violating the state liquor laws.

Coffro was found guilty and fined \$10 and costs and given a 30 day jail sentence by city judge Dunn this morning while the Davis woman was fined \$20 and given a 30 day sentence.

In a soft drink parlor, 1607 Madison street, the morals squad arrested Jim Lovara as the keeper, Nellie Dalfer as a prostitute and Mike Nik- olig for associating.

Two colored women and two men were taken from 1741 Adams street on charges of prostitution and associates. Florence Payne also colored, was arrested for violating the state liquor law after the police found part of a bottle of moonshine whiskey. Police stated that they

have received many complaints regarding the place. The squad then raided the soft drink parlor of Victor Dumitri, at 1117 Adams street.

"When I had the flu two years ago I never expected to pull through, and since then I was weak and run down, and had so little appetite I just had to force myself to eat. I had such awful pains in my back and side I thought I should faint, and I couldn't attend to my housework. My husband and I were at our wits' end to know what to do."

"When a friend advised me to take Tanlac it was the best turn she ever did me. Soon I could hardly get enough to eat, my face filled out and I gained much weight. Doing my work and looking after my little girl are like play now. For me there is no medicine like Tanlac." Tanlac is sold by all good druggists.—Adv.
