Sunday school, 11:00 a. m.

D. R. MOORE, Minister.

## A Warning From Within

Air and food are full of germs, and the digestion, lungs, heart and kidneys are fighting them away all the time. If one department of the body fails the whole system is upset and sickness starts in.

When anything is wrong within, a pain or illness gives quick warning, but kidney troubles are usually overlooked, for the warnings are confusing. Backache, dizzy spells, sick headaches, are warnings you should heed in order to avoid worse troubles. Use Doan's Kidney Pills and help yourself by dieting, avoiding overwork and worry and stimulants. Drinking milk or water freely is good for the kidneys.

For years and years Doan's Kidney Pills have been helping kidney sufferers all over the world. Surely they are reliable.

### LIBERTY PROOF:

Mrs. Addie Winter, W. Seminary St., says: "My back was weak and lame and ached steadily. Nights, I was so nervous that I could hardly sleep, owing to this steady aching. In the morning, I was drowsy and languid. My kidneys were also irregular in action. I used Doan's Kidney Pills, procured at the Palace Drug Store, and they relieved me."

**DOAN'S KIDNEY PILLS**  
Sold by all Dealers. Price 50c. Foster-Milburn Co. Props. Buffalo, N.Y.

### CENTENNIAL NEWS.

#### State Park Movement Organized.

The suggestion of state parks as a Centennial memorial is meeting with spontaneous and enthusiastic support. The consensus of Hoosier opinion seems to be that the setting apart of certain tracts, either because of their historic association or because of their scenic attractions and primeval charms, as state parks for the people would be a peculiarly fitting memorial of our Centennial year. Several such historic and scenic areas in Indiana suggest themselves, some of which will soon be lost if action to save and preserve them is not soon taken.

With the rapid development of public sentiment in this direction, the success of the movement is largely a matter of effective organization. The Indiana Historical Commission, under whose auspices the movement is taking form, is arranging for the appointment of an Indiana Memorial Committee, made up of representatives from each Congressional district and from various clubs and patriotic organizations, which shall be charged with the duty of arousing public interest, outlining definite plans, securing the endorsement of political parties, supporting the cause before the next General Assembly and promoting the movement in general. As chairman of the commission, Governor Harrison has appointed Richard Lieber, of Indianapolis, than whom no man in Indiana has taken a more intelligent and statesmanlike interest in the project. Mr. Lieber will begin active preparations at once in organizing and launching a campaign for state parks as a Centennial memorial.

#### Corydon State Celebration, June 2 and 3.

The Commission has found it advisable to change the date of the state celebration at Corydon from May 13 to June 2-3. W. C. Langdon is writing the pageant both for Corydon and for Indiana University, and as that of the latter is to be held the week of May 15, it became necessary to separate them in time in order that he might direct each properly.

Much interest attaches to Corydon as the place of the State's beginnings, and great preparations will be made for the formal inauguration of the State celebration there. Pageant Master Langdon has the pageant well under way and shows that he has grasped the situation most effectively. The celebration which he has in mind for Corydon will be as unique as it will be impressive.

#### In the Centennial Spot Light.

As a unique feature of its celebration to be held August 14-19, Miami county is planning a reunion of the Slocum family, including many descendants of Francis Slocum, the "Lost Sister," who as a little girl was stolen from her Pennsylvania home in 1776 by the Indians, with whom she grew up and became so thoroughly identified. Her Indian home was near Peru. In 1900 a monument was unveiled in her honor, when some 700 members of the Slocum family were present.

E. B. Birge, chairman of the State Committee on Music, has issued a list of music suitable for use by the schools of the state for celebration. It can be obtained from county school superintendents, county Centennial chairmen, or directly from the Commission.

The Vanderburgh county celebration will be held at Evansville in connection with the state G. A. R. encampment, which takes place May 11-12.

#### CENTENNIAL DAY AT NEW HOPE.

The schools of New Hope and Hickory Grove gave their Centennial Day program at New Hope, Friday afternoon. A good crowd was present to enjoy a programme of songs, readings, dialogues, recitations, drills and music by Mrs. Noah Brown's Victrola. The exercises were in charge of the teachers—Miss Anita Malone, Miss Tressa Davis, and Miss Carrie Mullin—who had charge of the music. The following program was given:

Song, "God Bless Our Native State".....New Hope School

### CHURCH ANNOUNCEMENT.

Rev. D. J. Thornton, of Warsaw, Ind., will preach at the Christian church on next Lord's Day, March 12, at 10:45 a. m. The theme for the morning will be "Healthy Christians."

In the evening, Rev. Thornton will preach at Billingsville on the subject, "He Went a Little Further." A full attendance of members and townspeople in general is earnestly desired since Rev. Thornton anticipates further service in this field.

### TO FARMERS AND STOCK OWNERS

If you are unfortunate in losing any of your stock, give the Silver Creek Fertilizer Co. a call day or night and we will give prompt service.

We are equipped with the most up-to-date appliances to take care of your calls for the removal of stock.

Our new equipment consists of a Garford motor truck for quick delivery and a hermetically sealed (air tight) tank for stock dead of contagious diseases.

With this equipment there is no danger of the spread of hog cholera or other contagious diseases as the tank is sealed before it leaves the premises.

We are also licensed and inspected by the state which will give you assurance that we are conducting our business in a perfectly sanitary way. And our equipment is far superior to that required or specified by law.

Our motto is "Do the work promptly and with All Sanitary Precautions."

We will appreciate it if you will call our attention at any time to lack of attention to business of any of our employees while on your place.
