

# JULY CLEARANCE SALE

## BREAKS ALL RECORDS

**W**ITHOUT a doubt this sale has eclipsed all previous selling records. The volume of business we are doing is far beyond our expectations. But when you sum it all up, why shouldn't every thrifty buyer respond to a value-giving event such as this? It was planned with two thoughts uppermost in mind. First, to present furniture worthy enough to grace the finest home. Second, to offer it at prices so low that one will want to buy not only for present—but future needs. Both ideals have become a reality—and those who have already bought know that a "July Clearance Sale" means bargains. This second call is for those who have not yet realized the importance of this event—the reductions offered—the quality of furniture obtainable. You'd better heed this call.

TODAY WE HAVE SPECIALS OF JUST AS WORTHWHILE SAVINGS.
