FARMERS' PACKING COMPANY
Investors' Packing Company

Which? Farmers, do you want a Packing Company wherein

wealthy stockholders make all the profits and leave the producer and consumer at their mercy just as they are now? If you do, just go on with your work and give no thought to this subject and it will probably come soon, and the farmer will be no better off than now.

Or, do you want a Cooperative Packing Company wherein any producer, who so desires may have every penny his livestock brings above expenses? If you prefer the Cooperative Company don't wait too long to examine and sign the subscription paper at Bias' Implement Store.

There will be nothing binding about the paper till a company is organized. Some kind of a packing business is likely to be started soon. Which kind shall it be?—Adv.

We beseech you who read this to turn to God and seek to hear from one of his ministers the answer to the question "Why Easter?" It is because Christ died and rose from the dead. Why did he die? He Himself said, "To give His Life a ransom for many."

"There was no other good enough To pay the price of sin; He only could unlock the gate Of Heaven, and let us in."

CONDEMN HIGH PRICED STUCK FOODS

Prominent Hog Raiser Says Prices Charged Are Unwarranted—Makes His Own High Food With Better Results

"That he is all through paying fancy prices for stock food and hog remedies and that he is raising some of the best hogs ever placed on the market" was the statement made recently by E. H. Beckstead, well-known hog raiser and authority on live stock.

Mr. Beckstead's hogs are the envy of his neighbors, and have "topped the market" for several years in Iowa. He states that for years he bought high-priced hog foods and hog remedies, but he is all through paying extravagant prices for what he can make himself. He states that what the hogs need are minerals, and tells the secret of his wonderful success by explaining that he takes about five pounds of ordinary mineraline (which is pure concentrated minerals and cost only a couple of dollars) and mixes same with enough bran or filler to make a hundred pounds. All hogs, and especially brood sows require minerals as they keep them free from worms, and in the pink of condition, and are essential to the hogs growth and a well balanced ration. This inexpensive mixture placed in a sheltered box, where the hogs can get at it as they need it, will produce far better results than any high priced so-called stock foods.

Send two dollars to The Mineraline Chemical Co., 1638 North Wells St., Chicago, Ill., and they will forward you by prepaid parcel post, enough mineraline to make a full hundred pounds. (Adv.)

Not "Just for a Day"

Those who suffer daily backache, sick headaches, dizzy spells and annoying kidney irregularities naturally seek a remedy that will give permanent freedom from these discomforts, not only "relief for a day." For over thirty years DOAN'S KIDNEY PILLS have stood the test of time—the hardest test of all. Thousands of confirmed and re-confirmed statements from grateful users tell of lasting, time-proved benefit. Here is a statement from one of your own townspeople. ASK YOUR NEIGHBOR.

D. Gleason, prop. livery stable, South street, says: "Doan's Kidney Pills procured from the Palace Drug Store gave me great relief from kidney trouble and backache. There is nothing too good for me to say in their favor."

FIVE YEARS LATER Mr. Gleason said: "The cure Doan's Kidney Pills gave me has been permanent."

Catarhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or impaired hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrh Deafness that cannot be cured by Hall's Catarrh Medicine. All Druggists sell it. F. J. CHENEY & CO., Toledo, O.
