An Honest Medicine. Of all medicines advertised to cure any affection of the throat, chest or lungs, we know of none we can recommend so highly as Dr. King's New Discovery for consumption, coughs, colds, asthma, bronchitis, hay fever, hoarseness, tickling in the throat, loss of voice, &c. This medicine does positively cure, and that where everything else has failed. No medicine can show one-half so many positive and permanent cures as have already been effected by this truly wonderful remedy.

—If some of our mounted men would build a half dozen large ice-houses, Ligonier might next summer send forth ten to fifteen thousand dollars worth of ice to St. Louis just as well as Rome City did last summer. An enterprise of this character would give employment to quite a number of laborers at a time when little else can be done. Indeed, the sum thus realized might be considered a net gain—just so much made out of water. Mr. T. Hudson, it seems to us, would be an excellent man to take the lead of an enterprise of this kind.

Our prophetic department stands gloriously vindicated. —Don't forget to go to the Methodist church and listen to Dr. Schlotterback's address on the temperance question. —Eld. S. H. Lane will preach at the Advent church on Saturday next, at 10:30 A. M., and at 7 P. M. All are cordially invited. —A great many cases find their way into our courts that could be settled at home if the proper spirit of forgiveness was manifested. —Now, don't be so foolish as to hoard that gold piece which you have just exchanged for a greenback. MUST PAY SCHOOL TAX.—Every now and then the question is raised in towns like this whether a person, living outside of an incorporated town, but attached to the corporation for school purposes, could be assessed a special tax, to pay for the building of school houses. A few weeks ago the question came before the Supreme Court from the Newton Circuit Court, in the case of Alex. J. Kent vs. Town of Kentland, and the opinion of the court was delivered by Biddle, Judge, as follows: "Complaint by the appellant against the appellee to enjoin the collection of a special additional tax levied under the authority of section three, act of March 8, 1873, upon certain lands owned by the appellant, and situate outside of the corporate limits, for the purpose of paying the interest and principal on certain bonds issued by the town of Kentland to collect under the authority of section three, act of March 8, 1873, upon certain lands owned by the appellant, and situate outside of the corporate limits, for the purpose of paying the interest and principal on certain bonds issued by the town of Kentland to collect under the authority of section three, act of March 8, 1873, upon
