

Reuben J. Dawson.
Where he stood in 1848-9.
At the session of the Legislature of 1848 and 49 Reuben J. Dawson was a member of the Senate, and voted for the following Joint Resolution:
Be it enacted by the General Assembly of the State of Indiana, That our Senators be instructed and our Representatives in Congress requested, so to cast their votes and extend their influence to have engrafted on any law that may be passed for the organization of the territory recently acquired from Mexico, a provision forever excluding from such territory, slavery and involuntary servitude; otherwise than in the punishment of crimes, whereof the party has been duly convicted.
He was also a member of the State convention on the 8th of January 1849, and voted for the platform which declared it to be the duty of Congress to prevent the introduction of Slavery within the limits of the new territories. It was a manly and an honorable position, and Mr Dawson sustained his position like a true Democrat and an honest man.
Now Mr Dawson is a candidate for Congress. His party has turned square about and he has turned with them—having resolved to stick to his party right or wrong, no matter what they do, or what they believe, he is today the advocate and defender of the Dred Scott decision—denies the power of Congress or even of the people of a territory to control or keep out the institution of slavery. Oh, Reuben!—what a fall was there, my countrymen.—*Elkhart Co. Times.*

What it is doing for the sick
Wm Schuchman, Esq., the well known Lithographer, says: I have frequently used Boerhave's Holland Bitters, and find that it invariably relieves indigestion and debility.

Rev. Samuel Babcock, says: I found special relief from its use, for a severe headache, with which I had long suffered.

J. W. Woodwell, Esq., says: I have used Boerhave's Holland Bitters myself, and recommend it to others, knowing it to be just what it is represented.

James M. Murphy says. After several physicians had failed, Boerhave's Holland Bitters removed the pain from my heart and side, arising from indigestion.

The Editor of the Kittanning Free Press says: After one of the best physicians in this place had failed, Boerhave's Holland Bitters cured me of the worst form of Dyspepsia.

Francis Felix, only manufacturer of the original Extract of Coffee, says: I know that your Holland Bitters is one of the best medicines in the world for a disordered stomach and liver.

Dr. Ludwig, Editor of the Packer, Baltimore, pronounces it a medicine deserving the confidence of the public.

Dr. Ehrhart, the leading German physician of Pennsylvania, has prescribed it frequently during the last 3 years, with marked success, in debilitated states of the digestive organs, or of the system generally.

The manager of Ballou's Vinegar Factory says: I used it myself, and was therefore induced to try its effects upon my wife. (troubled with the great debility common to all of a consumptive habit, and really it is doing her more good than anything she has ever taken.

DENTAL NOTICE
Preserve Your Teeth!!
NOW is the time to preserve your Teeth, and thereby secure to yourselves and posterity the blessings of Health. Healthy Happiness and Long Life. Dr. P. C. Dewey, Surgeon-Dentist, would inform the citizens of Ligonier, that he has become permanently located in this place, and that he is prepared to do all operations in the Dental Art with neatness and dispatch.

The importance of having decayed teeth cleaned and filled with gold or other pure metals cannot be too strongly urged; as the neglect of this important duty, often results in the entire loss of a good set of Teeth, thus giving rise to Dyspepsia, and various other diseases, to say nothing of the irreparable loss to Beauty, Speech and Happiness, at the same time giving the most revolting breath to the individual.

To those in want of artificial teeth I would call special attention to my new method of making P. retain teeth upon Gold plate with continuous united raised linings and flanged plate, making the most beautiful, durable and useful dental substitute in the known world giving any required fullness to the face, ensuring the most perfect articulation, and rendering mastication perfectly easy and agreeable.

Tooth removed with care and comparative little pain. Old or new or either administered with safety in all cases of necessity.

Parents having children whose teeth require attention, may rely upon good advice and kind treatment.

Finally, being assured from past experience of my abilities to perform any operation entrusted to me, I take pleasure in tendering my services to a discriminating public, pledging myself to give satisfaction in all cases.

BOERHAVE'S HOLLAND BITTERS
THE CELEBRATED HOLLAND REMEDY FOR DYSPEPSIA, DISEASE OF THE KIDNEYS, LIVER COMPLAINT, WEAKNESS OF ANY KIND, FEVER AND AGUE, the various affections consequent upon

STOMACH OR LIVER. Such as Indigestion, Acidity of the Stomach, Colic, pains, heartburn, loss of appetite, despondency, costiveness, blind and bleeding piles. In all Nervous, rheumatic and neuralgic affections, it has in numerous instances proved highly beneficial, and in all cases effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Bitters, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland, scattered here and there over this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of violent spirits or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

CAUTION. The great popularity of this delightful Remedy has induced many imitations which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.
