Jas. Clark, M. D., Physician Extraordi-
nary to the Queen. This invaluable Medi-
cine is unrivaled in the cure of all those pain-
ful and dangerous diseases incident to the fe-
male constitution.
It moderates all excess, removes all obstruc-
tions, and brings on the monthly period with

or three weeks previous to confinement; they
strengthen the constitution and lessen the suf-
fering during labor, enabling the mother to per-
form her duties with safety to herself and
child.
These Pills should not be taken by fe-
males during the first three months of preg-
nancy, as they are sure to bring on miscar-
riage, but at any other time they are safe.
In all cases of nervous and spinal affections,
pain in the back and limbs, heaviness, ha-
ziness on slight exertion, palpitation of the
heart, loss of spirits, hysterics, whites, and

THE LIVER
INVIGORATOR!
Prepared by Dr. Sanford,

Compounded entirely of Gums
Is one of the best Purgative
and Liver Medicines now before the
public, that acts as a Cathartic, easier, milder
and more effectual than any other medicine
known. It is not only a Cathartic but a Liver
remedy, acting first on the Liver to eject
the morbid matter, then on the stomach and
bowels to carry off that matter, thus accom-
plishing two purposes effectually, without
any of the painful feelings experienced in the
operation of most cathartics. It strengthens
the system at the same time that it purges it,
and when taken daily in small doses, will
strengthen and build it up with unusual rapid-
ity.

The liver is one
of the principal regu-
lators of the human
system, and when it
performs its functions
system is fully devel-
oped. The stomach
is almost entirely de-
pendent on the health
of the liver for the pro-
per performance of its func-
tions. When the stom-
ach and bowels are at fault,
the whole system of the
body suffers in conse-
quence. The liver, hav-
ing ceased to perform its
duty, the proprietors have
made it their study, in a
series of more than 20
years, to find some re-
medy wherewith to derange-
ments of the liver.

To prove that this
remedy is at last
found, any person
troubled with liver
complaint, and who
is unable to take food,
and who is afflicted
with biliousness, and
all the other evils
attending a disor-
dered liver, should
take this medicine
for a few days, and
they will find it
cure them.

One dose after each meal will cure
Dyspepsia.
One dose of two teaspoonfuls will al-
ways relieve Sick Headache.
One bottle taken for female obstruction
removes the cause of the disease, and makes a
perfect cure.
Only one dose immediately cures cholera,
while one dose often repeated is a sure cure
for cholera morbus, and a preventive
of cholera.

Only one bottle is needed to throw out
of the system the effects of modern
long sickness.
One bottle taken for Jaundice
removes all sallowiness or unnatural color
from the skin.
One dose taken a short time before eating
gives vigor to the appetite, and makes food dig-
est well.

One dose often repeated cures chronic
Diarrhoea in its worst forms, while
summer and bowel complaints yield
almost to the first dose.
One or two doses cures attacks caused by
Worms in children; there is no surer
or speedier remedy in the world, as it never
fails.

A few bottles cures Dropsy, by ex-
citing the absorbents.
We take pleasure in recommending this
medicine as a preventive for Fever and
Ague, Chill Fever, and all Fevers
of a Bilious Type. It operates with
certainty and thousands are willing to testify
to its wonderful virtues.

All who use it are giving their
unanimous testimony in its fa-
vor.
Mix Water in the mouth
with the invigorator, and
swallow both together.

THE LIVER INVIGORATOR.
Is a scientific medical discovery, and is daily
working cures almost too great to believe—
It cures as if by magic, even the first dose
giving benefit, and seldom more than one
bottle is required to cure any kind of
Liver Complaint, from the worst Jaundice
or Dyspepsia to a common Headache, all of
which are the result of a Diseased Liver.

PRICE ONE DOLLAR PER BOTTLE.

IT IS NOT POSSIBLE TO
enumerate our Goods in one Newspaper.
We deem it sufficient to say that we always
have on hand everything in the line of
DRUGS & GROCERIES,
and in prices we defy competition.
Buying our Goods almost entirely from first
hands and avoiding the losses incident to an
extended credit business, we flatter ourselves
that we can make it the interest of all who pur-
chase for cash, to trade with us.
