LADIES!

—Randall's Circassian
Cream Wash
Will give you
A Complexion
—AS—
Pure as a Baby's

From the time of sweet Mother Eve down to the present day, the highest aim of female ambition has been beauty of face and figure, and to this end every art and embellishment of the toilet has been eagerly sought after and used. Of all the points that go to make up female loveliness, a beautiful complexion is the most important. To obtain this many so-called beautifiers have been placed before the public, but all have failed, principally because they have been composed of liquid paste, filling up and choking the pores of the skin, thro' which the body naturally seeks its health, and making the complexion of every one using them sallow, pasty-looking and unhealthy. Randall's Circassian Cream Wash now comes to the rescue. It is composed of the purest and most harmless ingredients. Is as colorless and limpid as water. Will remove freckles, blotches, tan and pimples without fail. If given, and above all, keeps the complexion pure, brilliant and velvety. For sale by D. S. SCOTT & SON, Ligonier. 10-13
