

## Spray Time

All fruit trees should now be sprayed to kill scale and other diseases that hinder the growth and production of fruit.

We have barrel and hand sprayers for the small fruit grower we have absolutely the best sprayer we can get, all brass parts and will throw a fine mist or a coarse spray into the highest fruit tree or a mist on bushes etc. These sprayers are guaranteed for five years.

### TOWN HISTORY SALE

Customers From Goshen, Middlebury, LaGrange, Kendallville and Intermediate Points

The first day of the Sheets sale resulted in over \$5,000 cash for goods sold from 9 o'clock to closing time Wednesday night.

This sets a new record for a day's sales in Ligonier. Thursday was almost as large, all the clerks being worked to their capacity.

It is expected that Saturday will be the banner day and many additional clerks will be put on for this occasion to meet all requirements.

Customers have appeared from Goshen, Milford, LaGrange, Middlebury, Shipshewana, Kendallville, Albion and all intermediate points.

All the merchants of the city report greatly increased sales.

### To Have Live Stock Agent.

Announcement is made by John G. Brown, president of the Indiana Federation of Farmers' Associations, that plans had been worked out where by the federation will have an official representative at the Indianapolis stock yards. The present plans call for the operative features of new department to begin on Monday May 3.

Under the new system the representative of the federation will be a live stock agent who is experienced in the handling of all kinds of stock. It will be his duty to look after all shipments which are consigned through his care, a small fee of 1 cent per head on hogs, calves and sheep, and 4 cents per head on all cattle to be added. The federation is to pay the salary of the live stock agent, who will in no way serve as a commission broker.

### Undergoes Serious Operation.

Miss Magdaline, daughter of Mr. and Mrs. Fred Green of this city, underwent a very serious operation in a South Bend hospital Thursday afternoon. Her parents have been at the hospital with her for several days where x-ray examinations were taken and an operation found necessary. Word received here late yesterday indicated that the patient had rallied from the anesthetic and that the operation was successful.

### Elkhart Township Farmers.

A great meeting of the Elkhart township Farmers Association was held at Cosperville Wednesday evening. County Agent Widney was present and delivered a most inspiring address. The farmers of that township are active and enterprising. They do things. The association has eighty-five active members and will eventually include in its membership all the farmers of the township.

### Nice Job For Assessors.

Approximately 500 applications for reassessment of real estate in all parts of Indiana have been certified to the township assessors by the state tax commissioners with instructions to reassess the property. Applications for reassessments will be received by the state board until April 30. This furnishes a nice, pleasant job for the local assessors.

### Sell Several Farms.

Green Brothers & Oldfather have bought and sold several large farms during the past week. One Noble county farm of 170 acres was sold to Mr. Rimmell, of Kendallville, and 160 acres in White county sold to a Chicago man.

The weather is certainly discouraging to farmers. Wednesday was a beautiful spring day, and Thursday looked promising until the afternoon when rain began falling.

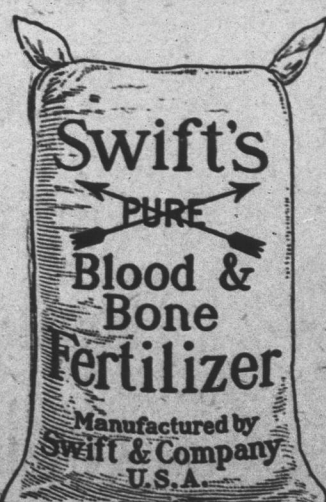

The Elkhart river is booming leaving its banks in many places. The rain of Thursday afternoon may augment the great flow of water and endanger bridges.

The state board of health could not stand the pressure of the dairymen of Indiana so it suspended its milk regulation order which is probably the last that will be heard of it.

For Sale—Three pure-bred Duroc-Jersey boars ready for service. Sired by a grandson of Orion Cherry King. These boars are cholera immune. Howard C. Herald. Ligonier Phone 2V 4b4t

## YOUR SATISFACTION

is more important than our profit. In fact the only way we can profit is to see that every man is satisfied. We'll gladly refund your money if you're not.

**"High" in the Quality-- not in the price**

You may feel that clothes prices are high; some of them are--higher than the quality themselves. We discovered that when we made our purchases; we protected you then, bought Hart Schaffner & Marx and Campus Togs for you.

We found the best values in them for the money; we know you will. The "high" is not in price but in the quality; in the all-wool fabrics and tailoring. That's the reason they outwear ordinary clothes; cost you less by the year.

**\$25 to \$75 real styles and real values**

Ask to see the new spring styles in suits and overcoats. We have a big variety to show you.

**Hats \$3.00 to \$9.40. Dress Shirts \$1.00 to \$13.00**

These are every day prices.

The Store Where Most all People Trade

What Stewart Stands For.  
1. Revision of tax law restoring self government.

2. Revision of Highway act providing for greater self determination.

3. Automobile license fees to be collected by County authorities and credited to various units of Indiana.

4. Adoption of amendment providing for woman suffrage.

5. Adequate consideration of soldiers.

6. Consideration of labor, social, economic problems.

7. Better educational facilities.

8. Agriculture legislation.

The above are a few of the things we stand for, which we deem to be of benefit to the state of Indiana. Besides these, there are many amendments to our State Constitution to come before our next General Assembly, some of these should be adopted.

others revised providing for less centralization. Respectfully Submitted. J. E. Stewart

### Card of Thanks.

We wish in this way to extend our thanks to the many kind friends and neighbors for their many deeds of kindness and love to our dear husband and son in his sickness and death and burial. Also for the many letters of condolence. May heaven bless you all.

Mrs. Bert Graves and Son  
Mr. and Mrs. C. R. Graves

Floyd Wean, who for some months has been employed by the Highway Iron Products Co., will soon move his family here from Goshen, occupying the D. B. Drain house on Pigeon street soon to be vacated by Irvin Kauffman.

## To the Citizens of Ligonier

I have installed some new machines which now gives me one of the best equipped Laundries for a town of this size in northern Indiana. Which I think I deserve the patronage of the home laundry business. My prices are lower than any laundry in this part of the country having given to the people of Ligonier the advantage of the advance in prices of all supplies and labor. But I can not continue so with out the support of my home friends. If work continues to go to Kendallville, I will have to advance my prices or quit the Laundry business. With your support I can give to Ligonier the best of service and work and also continue to improve. Is it not good for our home community to have a Laundry giving good service? We are here for that purpose, so let us hear from you by phone 86 or in person.

Our Mott "Home first"
