YOUR SATISFACTION

is more important than our profit. In fact the only way we can profit is to see that evry man is satisfied. We'll gladly refund your money if you're not.

"High" in the Quality— not in the price

You may feel that clothes prices are high; some of them are—higher than the quality themselves. We discovered that when we made our purchases; we protected you then, bought Hart Schaffner & Marx and Campus Togs for you.

We found the best values in them for the money; we know you will. The "high" is not in price but in the quality; in the all-wool fabrics and tailoring. That's the reason they outwear ordinary clothes; cost you less by the year.

\$25 to \$75 real styles and real values

Ask to see the new spring styles in suits and overcoats. We have a big variety to show you.

Hats \$3.00 to \$9.40. Dress Shirts \$1.00 to \$13.00

These are every day prices.

Singing Machine Stolen.

When George Osborn, of Marion, opened his cottage at Wawasee the other day he found that some thief during the winter had stolen his talking machine with all its expensive records.

The machine and clothing had also been taken.

There seem to have been no signs of a recent break-in.

Wawasee is in the winter months.
