Six times more value than all the horses

of all the sheep. Exceeds the value of wheat,  
nearly the value of swine, five times the value  
of the apple crop and seven times greater  
than the sugar crop.

There is a continual market the year  
around for poultry and eggs. Call for an egg  
record and see what the year 1925 will pro-  
duce for you.

On account of some diseased poultry in  
Indiana you are advised to hatch your own  
eggs or eggs that you know are from a healthy  
flock. You can get wonderful hatches with

and raise broilers for early market. Early  
market brings more profit than later. Now is  
the time to start. Come in and see the size

# PILES!

CURED WITH OUT SURGERY. WORK WHILE BEING  
CURED.

MANY ELKHART AND NOBLE COUNTY PEOPLE CURED.

For the convenience of patients living in the vicinity of  
Ligonier, the Fort Wayne Rectal Clinic will establish a branch  
office at Ligonier, and Dr. Wells, representing the Clinic will  
treat patients in Ligonier every two weeks.

Dr. Wells has practiced in Ft.  
Wayne for more than 20 years  
and has cured hundreds of peo-  
ple all over Northern Indiana of  
piles and other rectal diseases.

By our mild form of treat-  
ment practically all cases of  
bleeding and protruding piles  
can be cured while you go about  
your daily work.

We cure rectal fissure, the  
most painful of all rectal dis-  
eases, with one treatment.

#### A LIFE GUARANTEE

We treat many cases who  
have had surgical operations  
without permanent results. We  
guarantee to treat free of  
charge any case of piles or fis-  
sure that return after we have

cured them. Our cures are just as radical and permanent as  
surgery, and has many advantages that surgery has not. Our  
fees are moderate and within the reach of all.
