### Looks Like Slick.

Indications from Washington point to the naming of Thomas W. Slick of South Bend to the new federal judgeship by President Coolidge. Friends of Judges Heaton Fort Wayne and Biggs of Ligonier have filed strong petitions in their favor but it is understood Senator Watson and State Chairman Walb favor Slick.

### Law Will Stand.

It looks as though the attempt of politicians of both parties in Indiana to secure the repeal of the primary election law at the hands of the present legislature will fail. The voters generally may be trusted to name their candidates for office instead of delegating the authority to cheap politicians.

### Daughter Gets Entire Estate

The entire estate of Gene Stratton Porter was left to her daughter Jeanette Porter Hehan. The estate is valued at \$250,000 and the income is about \$10,000 a year. Mrs. Porter died from injuries received when her automobile was struck by a street car in Los Angeles Calif., early in December.

## TWO IMPORTANT MEASURES

Whitley County Representatives Would Have Law to Stop All Activities On Sunday.

A stringent blue law for Indiana was sought in a bill introduced in the legislature by Representative W. H. Kissinger of Columbia City. At the same time what is supposed to be one of the first Ku Klux Klan measures was introduced by Senator Simms of Terre Haute. It is for compulsory reading of the Bible in the public schools.

Twelve bills were introduced in the house of representatives and seven in the senate.

The Kissinger bill would require all motion picture theatres poolrooms bowling alleys dance halls saloons or other amusement places to close on Sunday and would assess a heavy fine for violation.

The Bible bill would revoke the license of teachers who refuse to read the Bible and penalize school officials heavily for violation of the measure.

The bill would not require pupils to read the Bible if parents or guardians object.

### Old Friends Meet.

Wilbur W. Wood was here today from Ligonier and called on a number of his boyhood friends of 50 years ago. We enjoyed a pleasant half hour's visit with him in which he recalled many happenings of a half century ago including the burning of the Madison school building on January 18 1875. Mr. Wood had a visit with Will. Gortner whom he had not met in forty years.—Goshen Democrat.

### Mawhorter Funeral.

Funeral services for Mrs. Elizabeth Mawhorter 76 of Kalamazoo Mich., former resident of Elkhart township who died at the home of a daughter in Newcastle were held at the Baptist church in Cosperville Thursday afternoon at two o'clock Rev. F. R. Hill officiating. Mrs. Mawhorter was a resident of Noble county 44 years ago but often visited her brother-in-law T. J. Mawhorter after leaving this vicinity.

The democrats of Ligonier are called to meet in city hall at 7:30 tomorrow Friday evening and reorganize their municipal committee. William H. Baker is the present chairman and he will probably be continued as well as the other old officers of the committee.

## Ford Owners Look!

You're out of luck—if your wheels are out of line.

If your wheels have improper pitch or toe-in, they will not have 100 per cent roll—they will drag and cause you loads of tire grief and expense and they'll make steering more difficult.

Proper wheel alignment is just as essential as a smooth running motor. The wheels on all cars get out of alignment.

## Are the wheels on your car running true?

There are many causes for misalignment. Among them can be mentioned bent axles, worn and defective spindles or spindle bolts and bushings and loose, worn or defective wheels, tie rods, etc. Some of these things come from ordinary operation and some from shocks and strains, hitting ruts, jamming curbs, quick and hard turns, etc. All of these wheel troubles can be quickly and positively located.

WE NOW HAVE A

## Bear Automaric Wheel Aligner

And can show you instantly whether your wheels are running true or not.
