Secures Heavy Damages.

Judge Endicott in the Dekalb circuit court has granted Mrs. Bertha Robinson administratrix of the late William T. Brandenberg of Garret authority to settle her claim against the Baltimore & Ohio Railroad company for \$11,750. Mr. Brandenberg was a brakeman and was killed in an accident last August 28. The beneficiaries of the proposed settlement are the widow Mrs. Brandenberg 19 years old at the time of her husband's death and two children, William 19 months old and Dorothy aged 2 months. The administratrix is the mother of Mrs. Brandenberg.

Tippencanoe River Park.

Sponsored by the Izaak Walton League a bill was introduced in Indianapolis by Representative Forest Knipper Warsaw for purchase by the state of river banks along the Tippencanoe river in Kosciusko Marshall and Fulton counties. A one mill tax levy for 1925 and 1926 is proposed. The bill also provided for a state park at Pigeon lake in LaGrange county.

Another Alcohol Death.

A man whose identity was unknown up to a late hour yesterday died from denatured alcohol poisoning in the police ambulance while he was being taken to the Methodist hospital at Fort Wayne.

The coroner said the dead man's stomach smelled like an automobile radiator in the winter season.

Gasoline Goes Up.

Local dealers were ordered to increase the price of gasoline one cent the gallon Friday and the price is now 18.4 cents. It has been several months since the price was reduced.

Ford

CLOSED CARS

The biggest value in a winter car for the family

The Fordor Sedan provides room for the whole family. Yet it is a light, easily handled car—the kind you want for the months of changeable weather and difficult driving conditions.

It is fitted with carpet and curtains that harmonize with the color tones of the two wide, deeply upholstered seats. It enables you to keep comfortably warm, yet have plenty of fresh air since the Fordor Sedan is equipped with Cowl Ventilator and windows that lower by revolving regulators.

You cannot own a car that offers you better value or more widely useful service. And the greater economy of operating a Ford lends emphasis to the practical worth of this car to you.
