LOCAL ITEMS.

The partnership heretofore existing between A. L. Wheeler and H. B. Dickson, in the Hardware business, has been dissolved, by mutual consent. During the time they have been engaged in business, they have established a reputation for fair dealing, both at home and abroad, that will be of great benefit to the successors. Mr. J. C. Leonard takes Mr. Wheeler's place in the firm. We congratulate Joseph on his prospect of future success, and hope his expectations may be fully realized. The name of the firm will remain as heretofore—H. B. Dickson & Co.

Last Tuesday we stepped into Carbutt's Ambrotype Gallery, and were struck with surprise and admiration at the many improvements he is making in the art. He has a photographic likeness of our paternal relative, which only lacks size to make it as "natural as life." Mr. Carbutt is a good artist, a perfect gentleman, and intends making this locality for future operations. We hope all who have any patronage to bestow on artists will extend it to him, for we can assure them that he is in every way worthy.

A "Rat," among printers, signifies one that works for less than established prices.—*Republican 13th Jan.*
Ratty, did you not offer to publish a Guardian's Sale for Mr. Hamilton, three or four weeks ago for fifty cents a square? No prevarication, Ratty. When you get through with this we have several more cases of the same kind—all of which prove that you are a Rat.

The Edwards' House in this place is about to change landlords. Mr. Ferris goes to Cleveland, we believe. We have not learned who is to be his successor. The Edwards House is the finest wooden structure in the North, and being situated in one of the most pleasant localities in our flourishing village, makes it a desirable place for travelers to stop.

The weather, the never failing theme for newspaper writers, has been as changeable, since we went to press last Wednesday evening, as the most fickle minded person could desire. Since then we have had snow, rain, sleet and wind, and a day or two that would do honor to May.

Tax-payers will remember that 10 per cent. penalty will be added to all taxes not paid on or before the third Monday of March, and we are informed by the Treasurer that he expects to enforce the law in the collection of them.

D. F. HARTMAN & Co. have established a Saddlery and Harness shop, on the east side of Michigan street, where they are now prepared to accommodate customers with anything in their line. See advertisement.

The Pike's Peak delegation will move sometime during the coming week. Among the number who intend going with the first train, are Rufus H. Hewitt, O. H. P. Bailey, W. C. Shirley, C. Woodbury, W. H. Thompson, and James Mitchell. Luck to you, boys!

The Local of the Republican wound us up on the number of editors. That is the unkindest cut of all, Mr. P. We cannot print it for 1/2 cent a name; that's his hole.

Judge Fuller takes charge of Auditor's office next Monday.

Wonder how much Ratty charges for Surveyor's notices? We shall see.

Commissioners Court next Monday.

WANTED—Wood and Money.

SPECIAL NOTICES.

PHOTOGRAPHS, AMBROTTYPES, MELAINOTYPES, and STEREOGRAPHS

July 29th—36c J. CARBUTT, Artist.

Why will you Delay. Why will you neglect that disease which is taking your deep root and which gives you evening by evening, that you are fast opening by eternity. Why encourage that pain in the side, the raising of blood, those night sweats or that difficult breathing which silently whisper in your ear that something must be done to save you from the grave of the consumptive. Why act so carelessly by permitting that disease to destroy your health, and hasten you to the tomb from whence no traveler yet returns. SILENCE that Dreadful Cough, or death must carry you to your silent grave. Why delay while there is yet hope? Consumption is caused by impure humors of the blood being deposited in the cells of the lungs. Hence the lungs are like a spring of water when filled up by the dirt or mud. If clear water constantly flows through the springs, impurities or mud will be conveyed away by the pure water. Just so with the blood, when kept in a clean pipe state; as it constantly flows through the lungs it carries away all corrupt matter, and perfect health will be the result. From two to four Pills taken every night or every other night, or enough to keep the bowels regular, will in a reasonable time cure consumption. The reason these pills are used more than all others is because they are made of purifying vegetables, and cleanse the body from all corrupt matter, and drive out disease of every description quicker and in a milder manner than any other Pills. Dr. Morse's Indian Root Pills are sold by all dealers in Medicines.

WHAT DRUGGISTS SAY OF ST. JOHN'S COUGH & CONSUMPTION SYRUP.—Messrs. Howe & Lent, New York, Illinois, wrote June 23d 1857: "Send us immediately six dozen Cough & Consumption Syrup. We assure no medicine we sell gives such general satisfaction, the demand for it being beyond all precedent. It gives us pleasure to sell a medicine so satisfactory to all."

Mr. J. Strainer wrote Aug. 17, 1858: "Send me eight dozen Cough & Consumption Syrup. This medicine can't be beat in this country. It goes like gold, always ready sale, and proves itself best in worst cases."

Messrs. Post & Dawson, Virginia, Wisconsin, wrote Oct. 1858: "Send us six dozen Cough & Consumption Syrup. It has effected many great cures here."
