PROSPECTUS
FOR INCREASING THE CIRCULATION OF
The Plymouth Banner.

Having completed one volume of the
BANNER with but very little if any pecu-
niary benefit, yet we are willing to re-
ly upon the citizens of Marshall and the
adjoining counties for an increased lib-
erality and patronage in commencing a
second volume. At our commencement
in a county so young and sparsely popu-
lated, the permanent establishment of a
respectable newspaper at this place, was
looked upon by many as rather a hazard-
ous and doubtful undertaking; but that
generous feeling heretofore mani-
fested, and that liberal hand heretofore ex-
tended by those who have thus far been
our patrons—together with an increase
in proportion to the increase of popula-
tion, may fix the fact, that the Ply-
mouth Banner is permanently located
amongst you.

We need, and should have additional
patronage to enable the establishment to
remunerate us for the time and labor ne-
cessarily employed in making the paper
interesting and worthy of patronage, and
creditable to the town and county in
which it is published. Shall we have it?
If each of our present subscribers would
procure an additional one, (and we have
not one on our list who has not sufficient
influence to do it,) we should feel amply
encouraged to do the work assigned us,
until our town shall number its thous-
ands, and our county its tens of thous-
ands of inhabitants. We think our re-
quest is not an unreasonable one. Shall
it be granted? It remains for our fellow-
citizens to determine.

It never has been, nor shall it hereaf-
ter be our aim to make the Banner a
strictly political paper—but a home-
newspaper—a family fire-side companion
—a life interesting and beneficial to the
farmer and mechanic, the merchant and
professional man—the old and the young,
and protecting the interests and defend-
ing the rights of all.

A description of the size and mecha-
nical appearance of the paper, can be more
satisfactorily ascertained by the examina-
tion of a copy.

Terms as heretofore:
If paid in advance, \$1 50
At the end of six months, 2 00
If delayed until the end of the year, 2 50

FALSE ALARM.
WE had an alarm without paying our debts
now before, be it known to the citizens of
Marshall and the adjoining counties, and the
"rest of mankind," that we are receiving a
large stock of
GROCERIES
AND
Bankee Notions.
Which we will sell cheaper than has ever
been offered in Plymouth. Our business is to
sell, and we have found that quick sales and
small profits are better for the seller and buy-
er, than any other mode of trading.
We have a choice article of
Coffee, Sugar, Molasses
And all the leading articles of Groceries which
the citizens of this community must have at
prices decidedly lower than they can be had
at any other house in this town. We now ask
you to give us a call and examine our goods &
prices, and don't longer squander your hard
earnings. You have been humbugged long
enough, and when you know we are selling
cheaper than any one else in town, if you don't
buy of us, you will be robbing your children or
yourselves, as the case may be.
Remember, we have not run away; but can
at all business hours be found in the south
part of Belange's new building, one door
south of the Bank. Will you come and see us?
We think you will.
In exchange for goods, we will take Pro-
duce, Furs, Deer Skins and Cash. We will
pay the highest price for Wheat in cash. In
short, we will buy anything the farmers have
for sale, and will give as much, and if neces-
sary a little more than any other merchant in the
place.

MELANCHOLY NEWS!!

It may be, to learn that Hungry must die,
but at the same time the grief is soothed
by the consciousness that it died easy.
J. BROWNLEE & CO.
have procured themselves of that invaluable
secret, that enables them to kill Hungry
wherever they show themselves, but for the
present they shall only let it's specific opera-
tions extend far enough to benefit the people
of Marshall and the adjoining Counties.

NEW GOODS
are advertised on every corner, for sale cheap-
er than they can be bought anywhere in the
world, &c.,

NO CREDIT.
Stores every man in the face as well as prom-
ises to buy everything at the "highest prices."
These things are Hungry, and "Headquar-
ters" as well as the "Regulator" are the chief
of these noisy parades of show, without jeal-
ty.

J. BROWNLEE & CO.
are once more at home, and have a Reality to
offer you and no Hungry. They have a large
assortment of Dry Goods, Groceries, Hardware,
Straw Goods, Boots, Shoes, Leather, glass and
queens ware, and every style of goods kept
in or suitable for this market; from the highest
and costliest that are ever called for, to the
most common and cheap that can be used.—
They were bought for part cash, and part on
credit, at the most favorable prices to be had
in eastern markets. (It's all gammon for any
man here to tell you he bought for cash prices,
for no man here buys for cash alone.) We
expect to make a living by our business, and
we charge a profit on our goods; but we only
charge in proportion to their real value and
cost. We will sell you cheap, at steady uni-
form prices, and not make your eye water with
one price at less than cost, and then "sal
you to me!" on something else. We have
dealt with you for years—have kept good goods
and sold at fair rates. We don't intend to
break down, and therefore can't sell cheaper
than we buy, and don't pretend to do business
in competition with men who do, but we will
give you every cent the Market will warrant
for all of your produce, and sell you goods as
cheap as we can and live. We'll deal honest-
ly by you, and don't expect to get rich off of
you, but hope to make money by long and
steady perseverance, as every man should,
and gain it by little.

Come and see us,
Bring your families who want to trade, send
your neighbors, and bring on your produce for
exchange. We are selling for
READY PAY
of some kind, and don't expect to credit much,
but will accommodate when we can. We have
told you the plain truth, you know it, we can
come along and see if you are not satisfied to
trade with your sincere friends.
