Drugs & Medicines.
Chemicals, Pure Wines and Liquors for Medical purposes, and articles of diet.

First Quality Only!
Considering the necessities of the invalid, too sacred to be trifled with, by the sale of vitiated Medicines, their chief aim during the nine years they have been engaged in the Drug business, has been, and still is, to keep those only which are of the finest quality, as well as pure and unadulterated.

Physician's prescriptions, and family recipes entrusted to them, will be accurately and neatly prepared, and in no case will any but pure and genuine medicines be used—and purchasers may rely upon the prices in all cases being as low as at any other establishment. In addition to the above, they have a large assortment of

FANCY ARTICLES.
Comprising elegant Foreign and American perfumeries, Cologne Waters, German, French and American. Also, agents for the most desirable Patent Medicines—to this branch of their business the most constant attention will be given, and the most popular and approved remedies of the day will be added to their list as they establish their claims upon the public mind.

Another War on High Prices!
We are now receiving our Fall and Winter Stock of Drugs and Medicines, Books and Stationery, and all the necessaries usually connected with both branches of the trade, to which we would most respectfully invite the special attention of the public in general. We have made extensive preparations for the Jobbing trade, and would say without fear of contradiction, that we will make a decided object for all those who buy to sell again, to call on us. There is no necessity of making an expensive trip to Chicago, when you can buy quite as cheap.

HO! ALL YE That are weary
IN the ways of sin, come unto me and I will mend your soles. That's what one of us told you some time ago; but "times change and we change with them."

"Progress" is now the watchword.—Onward we go, and the motto of all men.—Since you received the offer above quoted, we have found out that money can be made by first furnishing you with "soles," and then mending them afterwards, therefore, combination being the thing.

CASE & RUDD
Have formed a copartnership, for the purpose of improving the appearance of community by making clean the outer individual man; and have branched out, and now offer for sale one of the most choice selections of

BOOTS & SHOES
Ever found in any market. Their stock consists of about \$1,500 worth of boots (from seventy-five cents to \$10 dollars) and shoes of all sizes, qualities and prices. Custom work warranted, and imported work not warranted.

Also, Ready made Clothing
Of all sorts, sizes, colors and fashions. Don't go around any longer with the dogs chasing you, but look the graceful off of your old coats, and come and get some NEW CLOTHES, and look like somebody.

The Railroad is coming soon. We're a corporation, and pay more taxes than they do in Cuba, and are able to do it, and we have better improvements than any town in the west, all things considered. So encourage new beginnings—help worthy enterprise, put on some new clean clothes, wipe your proboscis, throw back your hair, stick your thumbs in your waistcoat, and when some fellow says, "Hi! how slick you look—where did you get 'em?" do you say "at Case and Rudd's," and cost nothing to dress well now—go and see."

SHOPS ON HAND TOO,
One that we "abolished lying from," where we will repair your dilapidated leather, or supply you with a new bit—and the other where we can get you a new suit as well as a "tailor in York," and little cost.

At present, we are one door north of Pomeroy's brick store, where we shall be happy to see you; and though we cannot promise you hand-made clothing, or a clerk to look at, we can show you honest ones, and better work and material than can be bought for the same money in northern Indiana. ESTO PERPETUA.

Truly Yours,
