

To the Citizens of Plymouth, Important Announcement!
DR. T. A. LEMON, would respectfully inform the public that he has secured the agency of Professor James McClinton's Celebrated Family Medicine, and has just received a full supply which is prepared to furnish wholesale or retail at the Proprietor's prices in any form.

Dr. McClinton's fame as an eminent physician needs no comments from me. His medicines are the prescriptions adopted in his private practice, and as such are invaluable in all cases where it is inconvenient to call in a physician. Their sale has been unprecedented in the Eastern and Northern States. They have effected thousands of cures, and no case of failure is yet recorded.

We would call attention at this season, first to Dr. McClinton's Pectoral Syrup for Bronchitis, Consumption, Hoarseness, Spitting of Blood and Sore Throat. This great remedy is unparalleled for success in the above complaints, purifies the blood of all scrofulous taint, it heals ulceration, it destroys tubercles in the lungs, it regulates the bowels, checks night sweats, and strengthens the stomach, it stimulates the vital powers, and gives vigor to the whole system; it quiets nervous excitement, relieves pain in the chest, soothes the cough, promotes expectoration, and at the same time affords a delicate nourishment. It contains no opium in any form and agrees perfectly with the most delicate patient.

Dr. McClinton's Cold and Cough Mixture—Colds and recent Coughs, especially if accompanied by fever and inflammation, are best relieved by a remedy different in character from the Pectoral Syrup, which is so valuable in chronic complaints. The Cold and Cough Mixture is precisely the cure for colds, whooping cough, and irritation of the throat and lungs. It is especially valuable for children, no family, in any changeable climate, should be without this efficient remedy, which, if taken on the first symptoms of cold, would prevent many an attack of Bronchitis, and a fatal issue in Consumption.

N. Lanfauum or preparation of Opium, in any shape, in this Syrup. Price, per bottle 25 cents.

Dr. McClinton's Tonic Mixture, for Fever and Ague—The greatest specific for this fearful disease ever used. It never fails to break the Chills, and restore the patient to blooming health. One bottle will cure the most obstinate case. It returns even in cases of the longest standing. It has effected thousands of cures when all other remedies have failed. It contains no arsenic, mercury or other injurious drugs, but will prevent any attack of the disease, and the constitution it builds up and gives tone and vigor to the whole system. Price \$1.00 per bottle.

Dr. McClinton's Tonic Alterative Syrup, for the cure of Catarrhs or skin diseases, viz: Tetter, scurvy, salt rheum, boils, Pimples, Itch, Ringworm, Erysipelas, &c. Scrofulous Diseases: Scrofula or King's evil, white swelling, gonorrhea, Chronic Ulcers, &c. Rheumatic Diseases: Rheumatism, Gout, &c. Mercurial or Syphilitic Diseases of all classes. These diseases arise from a taint in the system, requiring an alterative of the Secretions, and a general purifier of the blood. For this purpose, the Tonic Alterative Syrup will be found invaluable. Price, (in pint bottles), \$1.00.

Dr. McClinton's Dyspeptic Elixir—Dyspepsia is a common complaint with persons of sedentary habits, and is often the result of excesses in eating and drinking, or of want of proper diet suitable to the condition or occupation. Improper food, or too much taken into the stomach, cannot be properly assimilated, and the food remains in the stomach, and the system is deranged. Headache, Giddiness, Nervousness, Sour Stomach, Heartburn, Flatulency, and Colic, are the result. When the action of the Liver is irregular, will be found the most effective remedy ever employed. Price, (in pint bottles), \$1.00.

Dr. McClinton's Remedies for Rheumatism—Rheumatism is cured by taking Dr. McClinton's Rheumatic Mixture in doses of a teaspoonful three times a day. We have seen the worst cases relieved in 24 hours. The external use of the Tonic Alterative Syrup, by means of a brush, applied to the affected parts, will be found to have a powerful and penetrating effect. Dr. McClinton's Rheumatic Liniment. For swollen limbs, bruises, internal pains, cramps, chilblains, stiff joints, toothache, and other pains, rub a little of the Liniment on the affected parts, and it acts with magical effects. These remedies are sold at 50 cents per bottle.

Dr. McClinton's Vegetable Purgative Pills for the relief of constipation, and all the painful results, such as Headache, Dizziness, Sick Stomach, Pains, and all the symptoms enumerated under the "Dyspeptic Elixir." In all cases where purgation is needed, these pills are the most safe and reliable, and will act with certainty, even if compounded. Price, per box, 25 cents.

Dr. McClinton's Antibilious Pills for liver complaints, with symptoms such as yellowness of the eyes and skin, indigestion, Headache, pain in the right side, disordered Stomach or Bowels, deficient action of the Kidneys, &c. These Pills, if taken in the incipient stages of Biliousness or Yellow, or other Fevers, will generally ward off the disease, and prevent its progress. Dr. McClinton's Anodyne Mixture for producing instant relief from pain. No person need suffer from Toothache, Headache, Neuralgia or Rheumatic Pains, Cholera, Chills, Pleurisy or Stitches in the side, Pain in the Back, Side, Limbs, or other parts of the body, or any part of the body, who will apply for Dr. McClinton's Anodyne Mixture. Its effect is like magic, producing immediate ease and quiet, refreshing sleep, even in case of the most excruciating suffering. Every family should be provided with a bottle. Price 50 cents.

Dr. McClinton's Asthma and Whooping Cough Remedy—These distressing diseases are speedily and permanently relieved by this purely vegetable Medicine. A trial is all that is needed to prove its efficacy. Price, per bottle, 50 cents.

Dr. McClinton's Diarrhoea Cordial and cholera preventative, a certain cure for Diarrhoea, Dysentery, Cholera morbus and Asiatic Cholera. This prescription has never failed to cure common diarrhoea, and in dysentery, it is equally successful. In the extreme stage of Asiatic Cholera, it will be found invaluable. For the Cholera of infants and Cholera Infantum, it is a sovereign remedy. Price, per bottle, 25 and 50 cents.

The Bore Medicine prepared under the direction of Professor JAMES MCCLINTOCK, late President of the Philadelphia College of Medicine, &c., from the purest and freshest materials, are strongly recommended to the afflicted. They may be procured in Indianapolis, wholesale and retail, of W. W. Roberts & Co., to whom persons in this State wishing agencies will please direct their orders.

Throw Physic to the Dogs. POLYMER'S HYDRO-ELECTRIC VOLTAIC CHAINS. Producing instant relief from the most acute pain, and permanently curing all Neuralgic diseases, Rheumatism, Painful and Swelled Joints, Neuralgia of the Face, Deafness, St. Vitus Dance, Palpitations of the Heart, Periodical Headache, Pains in the Stomach, Indigestion, Dyspepsia, Uterine pains, Paralysis, &c., &c.

These chains were first introduced in the city of New York less than one year since, and after being subjected to thorough trials in every hospital in the city, and applied by Drs. Valentine, Mott, Carnochan, Van Buren and others, it was discovered that they possess strange and wonderful power in the relief and cure of the above class of diseases, and their sale, and the success that has attended their use is unparalleled.

Previous to their introduction into this country, they were used in every hospital in Europe, and are secured by patents in France, Germany, Austria, Prussia, &c. England; and also in the United States.

"THINK CLOSE AND PONDER WELL." The principles upon which it is claimed that the Chains produce their marvellous cures are, first—that all nervous diseases are attended and produced by a deficient supply of nervous fluid, and an agent that resembles closely electricity, or electro-magnetism, and secondly—that the electro-magnetic chains, by being worn over and upon the part and organ diseased, furnished to the exhausted nervous fluid through the entire system, a disorganizing influence, allowed to be taken while using the chains, but a rigid observance of the general laws of health are required. Brisk friction upon the part diseased allures much to the effects of the chains, by increasing their magnetic power.

One Thousand Dollars will be given to any person who will produce so many well authenticated certificates of cure both from intelligent patients and scientific physicians, as have been effected by the use of Polymer's Hydro-Electric Chains. They never fail to perform what they are advertised to do, and no person has ever been dissatisfied who has given them a trial.

IN FEMALE CASES. More than one hundred permanent cures of Prolapsus Uteri, have been effected within the last year by the use of these chains. By applying one end of the chain over the region of the abdomen, and the other upon the spine just above the hip, the usual severe symptoms incident to that disease are at once removed.

MODE OF USE. The chain should be moistened before use with common vinegar, and then one end of the chain should be applied directly to the seat of the pain or disease, and the other end opposed to it.

BEN DECEIVED! The Electric Chains are not to cure all diseases; but for Nervous diseases it is claimed that No Medical Agent in the world has produced so many cases in the last year as the Electric Chain.

STANT B. BEEF from the most acute and distressing moment of application much more effectively than can be produced by opium, in any of its forms.
