P. O. Address, College Corner, Ohio.

Mr. Cooley's Hat.

When Mr. Cooley came into church last Sunday he placed his new high hat just outside the pew in the aisle. Presently Mrs. Pitman entered, and as she proceeded up the aisle her bounding skirts scooped Cooley's hat and rolled it up nearly to the pulpit.

Cooley pursued his hat with feelings of indignation, and when Mrs. Pitman took her seat he walked back, brushing his hat with his sleeve. A few moments later Mrs. Hopkins came into church, and as Cooley had again placed his hat in the aisle, Mrs. Hopkins' skirts struck it and swept it along about twenty feet, and left it lying on the carpet in a demoralized condition. Cooley was singing a hymn at the time, and he didn't miss it, but a moment later when he looked over the end of the pew to see if it was safe, he was furious to perceive that it was gone. He skinned up the aisle after it again, red in the face and uttering sentences which were horrible out of place in the sanctuary. However, he put his hat down again, and determined to keep his eyes on it but just as he turned his head away for a moment Mrs. Smiley came in and Cooley looked around only in time to watch the hat being gathered in under Mrs. Smiley's skirts, and carried away by them. He started in pursuit, and just as he did so the hat must have rolled against Mrs. Smiley's ankles, for she gave a jump and screamed right in church. When her husband asked her what was the matter, she said there must be a dog under her dress, and she gave her skirts a twist, out rolled Cooley's hat and Mr. Smiley being near-sighted thought it was a dog, and kicked it so savagely that it flew up in the gallery, and lodged on top of the organ. Cooley, perfectly frantic with rage, forgot where he was, and holding his clenched fist under Mr. Smiley's nose, he shrieked, "I've half a mind to brain you, you scoundrel!" Then he flung down his hymn book and rushed from the church. He went home bare-headed, and the sexton brought his humiliating hat around after dinner. After this Cooley intends to go to Quaker meetings, where he can say his prayers with his hat on his head.

"Lassavarietta, or, the Female Patriot," is the title of a new tragedy, in five acts, by Mrs. L. A. Munday, issued by the Elm Street Publishing Co., of Cincinnati. As a piece of typographical work it is a model of neatness. The play is bound to be an event in the theatrical world, as it is far above the average plays thrown on our boards. Each act is full of thrilling incidents—captivating the fancy as each emotion is stirred up—the wide scope—the patriotism and pathos, fascinate the reader from beginning to end. Mrs. Munday has obtained quite a reputation in the literary world, but this, without doubt, is superior to any of her other works. The author's present address is Oxford, Ohio, and those wishing a copy of the play, can obtain it by addressing her at that place.

"From the Earth to the Moon." We have just received this new book, by Jules Verne, the famous author of "Around the World in Eighty Days," etc. It is a most interesting, indeed exciting, story of a remarkable attempt to hurl a huge hollow projectile containing three persons, viz: Barbicane, Nicholl, and Ardan, to the moon! This projectile was discharged from an enormous cannon, built at a cost of \$5,000,000, and the wonderful voyage began. The earth is far below them, the moon is only 300 miles away—a passing comet nearly dashes them to pieces. Like all of Verne's works, its pages are charming reading, and its profuse and striking illustration, by 28 fine engravings, greatly increases the pleasure of its perusal. Although the ordinary price of this book is \$2.00, yet THE LAKESIDE LIBRARY edition now before us is sold for only Ten Cents, complete and unabridged! For sale by all newsdealers, or sent postpaid by the publishers, DONNELLY, LOYD & CO., Chicago.

MR. MYRES ESQ.,
Dear Sir:—MYRES' GREAT AMERICAN LINIMENT, has done for me all you promised it would do. I had been disabled from working at my trade, blacksmithing, five months by a severe attack of inflammatory rheumatism in one of my knees, which threatened to permanently disable me for life, but by five applications of your Liniment the swelling was reduced, and the pain expelled, so I could resume my accustomed labor. I consider myself entirely well and recommend your Liniment as the best and cheapest medical friend ever discovered for the laboring men.

Holloway's Pills.

"I had no appetite; Holloway's Pills gave me a hearty one."
"Your Pills are marvellous."
"I send for another box, and keep them in the house."
"Dr. Holloway has cured my headache that was chronic."
"I gave one of your Pills to my babe for cholera morbus. The dear little thing got well in a day."
"My nausea of a morning is now cured."
"Your box of Holloway's Ointment cured me of fungus in the head. I rubbed some of your Ointment behind the ears, and the noise has left."
"Send me two boxes; I want one for a poor family."
"I enclose a dollar; your price is 25 cents, but the medicine to me is worth a dollar."
"Send me five boxes of your pills."
"Let me have three boxes of your Pills by return mail, for Chills and Fever."
"I have over 200 such testimonials as these, but want of space compels me to conclude."

For Cutaneous Disorders,
And all eruptions of the skin, this Ointment is most valuable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil.

HOLLOWAY'S PILLS
Invariably cure the following diseases:
Disorder of the Kidneys.

In all diseases affecting these organs, whether they secrete too much or too little water, or whether they are afflicted with stone or gravel, or with acids and pains settled in the joints over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

For Stomachs Out of Order.
No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and regulate it to a healthy action; they are wonderfully efficacious in case of spasms, in fact they never fail in curing all disorders of the liver and stomach.

HOLLOWAY'S PILLS are the best known in the world for the following diseases: Acute, Asthma, Bilious Complaints, Bleaches on the Skin, Bowels, Consumption, Debility, Dropsy, Dysentery, Erysipelas, Female Irregularities, Fever of all kinds, Fits, Gout, Headache, Indigestion, Inflammation, Jaundice, Liver Complaints (Jaundice), Piles, Rheumatism, Retention of urine, Scrofula or King's Evil, Sore Throat, Stone or Gravel, Typhoid Fever, Tumors, Ulcers, Wounds of all kinds, Weakness from any cause, etc.

Important Caution.
None are genuine unless the signature of J. Holloway, as agent for the United States, surrounds each box of PILLS, and Ointment. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*Sold at the manufactory of Professor Holloway & Co., New York, and by all respectable druggists and dealers in medicine throughout the civilized world, in boxes at 25 cents, 50 cents, and \$1 each.
*There is considerable saving by taking the larger sizes.
*N.B.—Directions for the guidance of patients in every disorder are affixed to each box.

Myres' Great American Liniment is for sale at this office.

We the undersigned citizens of Oxford, Ohio, having had the occasion to use Myres' Great American Liniment for ourselves and families, and for our horses; and well knowing its universal success in curing disease, recommend it to others as superior to all other remedies of the kind we have ever known:

Dr. Daniel Winder, Body & Davis, Samuel Gath, Jr., Moses Kyger, John Morton, John Addison, Bassett & Fish, Fred Cornier, Wm. Vanhook, Thos. L. White, Matthew Barbour, F. W. Nagle.

All the above parties can be addressed through the Oxford P. O.

VERNON CENTER, Dec. 15, 1871.

P. E. MYRES, Oxford, Ohio.

Dear Sir:—When I ordered Myres' Great American Liniment, my son had been prostrated for seven months with a rheumatism that baffled all medical skill, and he had become so emaciated from excruciating pains, together with the medicines administered by our best physicians, that he could scarcely move his limbs; in fact, a consultation had been held, and a unanimous verdict rendered that he was beyond the reach of all remedies known to the profession. On receiving the Liniment I took the case in my own hands, and it was not more than three or four days after the first application that a change for the better was perceptible; and he continued to improve without relapse, until I had made five applications, as per directions, when he stood upon his feet a skeleton, free from pain, and a cured man. It has now been twenty months since he was cured, and he is at present in good health, weighing 180 pounds, and says he has never had a recurring symptom of that terrible disease. Yours truly, JOHN KELLM.
