

Mr. Democrat Farmer:

No. 2.

A SERIES OF PLAIN TALKS TO THE DEMOCRATIC VOTERS
OF THE FOURTH CONGRESSIONAL DISTRICT

Do You Want to Elect a Democratic Congressman in 1920?

You are engaged in a business to which the community, the nation, nay even the WHOLE WORLD is now turning in this wonderful time of reconstruction.

ORGANIZATION is the slogan of today. Other lines of industry are organized and are now represented at the National Capital, and they GET RESULTS.

Is it not time the FARMER began to get results in National Legislation along Commercial and Economic lines?

The present Congress has cut off Federal aid from YOUR County Agricultural Agent's Fund. Do YOU approve of this?

In the past it was proper to have an Expert on Taxation and Tariff and Finance, but NOW the People of this District need a REPRESENTATIVE OF THE FARMER. New forces and new policies are coming forward, and the Farmer and his interests must be taken care of by your National Representative.

The Democratic Party in this District went down in defeat at the last election. Will YOU redeem the Fourth District at the coming election by nominating a man WHO CAN BE ELECTED?

The Fourth District is an AGRICULTURAL DISTRICT. More than three-fourths of our people are Farmers. There are more than 12,000 Democratic Farmers in the Fourth Congressional District. YOU can name a nominee for Congress at the Primary next May. Are YOU not entitled to a Representative, a man who will look after YOUR affairs and YOUR interests, BECAUSE YOUR INTERESTS ARE HIS INTERESTS?

C. E. CUSTER, of Bartholomew County, the Democratic Candidate for Congress at the Primary next May, IS A SUCCESSFUL FARMER AS WELL AS A CAPABLE LAWYER.

He is a Member and one of the Organizers of the Bartholomew County Farmer's Association.

He knows what YOUR needs are and will give them attention.

He is in thorough SYMPATHY with your needs.

He believes in fair play. He does not believe in gambling in the necessities of life. He does not believe it fair to the Farmer to compel him to sell his products at the other man's price.

CUSTER, IF GIVEN THIS NOMINATION, CAN BE ELECTED OVER ANY REPUBLICAN CANDIDATE.

CUSTER will command his Party Strength regardless of any Dissatisfaction growing out of Appointments, long tenure of office, or Local Differences.

CUSTER is an efficient, forward-looking young man, who will counsel with YOU before he votes on questions affecting YOUR interests.

CUSTER will represent YOU, Mr. Farmer, because he KNOWS your needs and is in thorough sympathy with YOU.

A vote at the Primary for C. E. CUSTER is a Vote for a man of Progressive Views who can bring VICTORY out of DEFEAT.

The removalists are doing everything they can to get people to believe there will not be a recount.

Why not let the people rule? This was the movies' slogan before July 22.

The removalists are trying to get men outside of Jennings County to spread rot for them.

The thing that has taken the cackle out of the North Vernon Ringsters is the fact that there will be a recount; that this will show some of the things done in North Vernon.

"My dealer was right —they do satisfy!"

There's more to a cigarette than "pleasing the taste." Other cigarettes, besides Chesterfields, can do that.

But Chesterfields do more—they begin where the rest of 'em stop! Because Chesterfields "touch the smoke-spot," they let you know you are smoking—they do SATISFY!

There you have it—SATISFY. It's all in the blend—a blend of fine selected TURKISH and DOMESTIC tobaccos. And the blend can't be copied.

That's why it's Chesterfields or nothing if you want this new thing in cigarette enjoyment.
