COMING TO

NORTH VERNON.

Metropole Hotel, Friday February,
27th, 1930. For one day only. Hours
9 a. m. to 6 p. m. United Doctors
Specialist. Brings the knowledge of
their Organization and experiences in
their successful treatment of thou-
sands of cases, offers services free of
charge.
The United Doctors is an organiza-
tion of reputable, licensed physicians.
They are all specialists in the treat-
ment of certain diseases. They treat
without surgical operations diseases
of all internal organs, stomach, in-
testines, constipation, piles, liver, spleen,
heart, nerves, skin, rheumatism, sci-
atica, gonorrhea, tape-worm, leg ulcers and
all long standing, deep seated diseases.
Many years experience. The complete
record of thousands of cases success-
fully treated prove that their methods
are right. They were among the first
to earn the name.

"Bloodless Surgeons."

Each staff member has at his com-
mand the knowledge and resources of
the organization. Many people suffer
from diseases that can be alleviated
just because they cannot afford to go
to high priced Specialists and Hospi-
tals at a long distance from their
home. No community has a sufficient
number suffering from these diseases
to support special Hospitals for their
treatment and cure. The United Doc-
tors have solved the problem. Their
highly trained Specialists go to each
community and will advise a proper
course of treatment for the sufferers
and instruct them how to take care
of themselves at home. No matter
what you have been told or the ex-
perience you had with other physi-
cians, consult him on this visit. It
costs nothing. If your case is incur-
able he will give you advice as may
stay and relieve the disease. Married
ladies must come with their husbands
and minors with their parents or
guardians.
