The Greek theaters had no scenery, the stage walls being painted to resemble the locality intended.  
For instance, Mrs. Chas. Rogers, of Bay City, Mich., accidentally spilled scalding water over her little boy. She promptly applied De Witt's Witch Hazel Salve, giving instant relief. It's a wonder- fully good salve for burns, bruises, sores and a sure cure for piles. A. F. Long & Co.

Many ladies have used our machines twenty to thirty years in their family work, and are still using the original machines we furnished them a generation ago. Many of our machines have run more than twenty years without repairs, other than needles. With proper care they never wear out, and seldom need repair.  
We have built sewing machines for more than forty years and have constantly improved them. We build our machines on honor, and they are recognized everywhere as the most accurately fitted and finely finished sewing machines in the world. Our latest, the "No. 9," is the result of our long experience. In competition with the leading machines of the world, it received the Grand Prize at the Paris Exposition of 1889, as the best, other machines receiving only complimentary medals of gold, silver and bronze. The Grand Prize was what all sought for, and our machine was awarded it.
