J. T. Randle, Joseph Grube, A. R. Schultz and R. N. Bokowsky have taken advantage of the PILOT's facilities for turning out unexcelled work in the horse printing line. These gentlemen have unusually good horses, in the heavy draft style, and breeders should give them a call.

The commissioners of Jasper county have established a work house and hereafter prisoners will be obliged to earn their board. The institution in all justice should be dedicated by the commissioners themselves, who notoriously violated the law and common decency by their narrow minded and partisan treatment of the PEOPLE'S PILOT.—Monticello Democrat.

Thomas Davison, a young Indian lately discharged from the Indian school and sent to Wisconsin, has returned to Rensselaer. He started from Port Washington, Wisconsin, and walked the entire distance in less than six days, his last day's journey being last Saturday in which he walked from Hammond to Rensselaer in less than nine hours. He thinks walking is a much cheaper mode of travel than by rail, as his journey cost him something less than \$1. He feels very much refreshed over the exercise and thinks he will attend the World's Fair in the same way.

Hemphill & Honan are selling out to quit business. Now is the time to get bargains for cash.
