**THE REASON WHY**  
 Morris' English Stable Powders have met with such remarkable success, giving universal satisfaction, is from the fact that only the highest grade of drugs are used in its preparation. Every drug purchased is carefully examined and tested by a professional chemist, hence its great superiority over adulterated articles which sell for same price, 25 cents. Sold by F. B. Meyer.

**STRENGTH AND HEALTH.**

**West Baden Springs**  
**At Your Own Door.**

These celebrated Springs are located in Orange County, Ind., eighty miles north-west from Louisville, Ky., and twenty-three miles southwest of Mitchell, Ind.  
 The springs proper are situated in a beautiful valley, surrounded by majestic hills, adorned by noble forest trees. Circular basins, carved out of the native whetstone rock, peculiar to this region, encase the Springs, thereby retaining the natural gases in the water, which add greatly to their efficacy and flavor. The direct source of the springs lies in an unmeasured depth below. The waters possess powerful medicinal qualities and are used extensively all over the country. Should the question be asked, "what will these waters cure?" It might be answered that it is harder to decide—what they will not cure. Alcoholism, Asthma, Amenorrhea, Bladder Diseases, Blood Diseases, Bright's Disease, Bruises, Catarrh (in all its forms), Constipation, Corpulency, Chlorosis, Debility, Dysentery, Dysmenorrhea, Dyspepsia, Diabetes, Eczema, Erysipelas, Eye Diseases, Female complaints, Gout, Gall Stones, Gastritis, Hives, Indigestion, Influenza, Insomnia, Intemperance, Jaundice, Kidney Disease, La Grippe (and resultant evils), Leucorrhoea, Liver complaints, Malaria, Mucous Membrane Troubles, Neuralgia, Obesity, Paralysis, Piles, Pimples, Quinzy, Rheumatism (in all its forms), Syphilis, Scrofula, Sick Headache, Skin Disease, Sprains, Sterility, Tetter, Urinary Troubles, Venereal Diseases, White Swellings, have all been benefited here—and most cases completely cured.  
**A CASE OF 24 BOTTLES FOR ONLY \$3.00**

Preparations have been perfected for bottling these waters at the Springs, in such manner, that there is no loss of their valuable medicinal qualities.  
**George A. Strickfaden** after taking several week's treatment at the springs with such good results, has decided to give his friends a chance to test their wonderful curative qualities. With this end in view he has taken the agency for the waters and will keep a supply in cold storage ready for use. Orders may be left at the post office or at his place of business and a case of the water will at once be delivered at your own door. Apply to him for a pamphlet of 36 pages, containing analysis, testimonials and full particulars of these wonderful waters.

**"Seeing is Believing."**  
 And a good lamp must be simple; when it is not simple it is not good. Simple, Beautiful, Good—these words mean much, but to see "The Rochester" will impress the truth more forcibly. All metal, tough and seamless, and made in three pieces only, it is absolutely safe and unbreakable. Like Aladdin's of old, it is indeed a "wonderful lamp," for its marvelous light is purer and brighter than gas light, softer than electric light and more cheerful than either.  
 Look for this stamp—The Rochester. If the lamp dealer hasn't the genuine Rochester, and the style you want, send to us for our new illustrated catalogue, and we will send you a lamp, quickly by express—your choice of over 2,000 varieties from the Largest Lamp Store in the World.
