A Bright Outlook.
"How is it with you?" asked the editor of the subscriber dying in arrears.
"All looks bright before me," gasped the subscriber.
"I thought so," said the editor. "In about ten minutes you'll see the blaze."

Bad complexion indicates an unhealthy state of the system. DeWitt's Little Early Risers are pills that will correct this condition. They act on the liver, they act on the stomach, they act on the bowels.

SAVED THEM ALL.
Centerville, Iowa, Oct. 2, 1889
—GENTS: I have used largely of Craft's Distemper Cure this season, and desire to express my entire satisfaction with it as a cure for distemper. When I received the first order I had twenty-nine bad cases of distemper, one having already died. Our entire herd of mares, numbering some three hundred, was exposed to distemper, but we followed your directions carefully and succeeded in saving all the rest of them. Respectfully,
D. C. BRADLEY.
Sold by F. B. Meyer.

LA GRIPPE.
During the prevalence of the Grippe the past seasons it was a noticeable fact that those who depended upon Dr. King's New Discovery, not only had a speedy recovery, but escaped all of the troublesome after effects of the malady. This remedy seems to have a peculiar power in affecting rapid cures, not only in cases of La Grippe, but in all diseases of throat, chest and lungs, and has cured cases of asthma and hay fever of long standing. Try it and be convinced. It won't disappoint. Trial bottles at Meyer's drug store.

It is a truth in medicine that the smallest dose that performs a cure is the best. DeWitt's Little Early Risers are the smallest pills, will perform the cure and are the best.

A large deposit of alum, it is claimed, has been discovered near Asheville, North Carolina.

The breaking up of the winter is the signal for the breaking up of the system. Nature is opening up the pores and throwing off refuse. DeWitt's Sarsaparilla is of unquestionable assistance in this operation.

West Baden Springs
At Your Own Door.
These celebrated Springs are located in Orange County, Ind., eighty miles northwest from Louisville, Ky., and twenty-three miles southwest of Mitchell, Ind.
The springs proper are situated in a beautiful valley, surrounded by majestic hills, adorned by noble forest trees. Circular basins, carved out of the native whetstone rock, peculiar to this region, encase the Springs, thereby retaining the natural gases in the water, which add greatly to their efficacy and flavor. The direct source of the springs lies in an unmeasured depth below. The waters possess powerful medicinal qualities and are used extensively all over the country. Should the question be asked, "what will these waters cure?" it might be answered that it is harder to decide, what they will not cure. Alcoholism, Asthma, Anemia, Bladder Diseases, Blood Diseases, Bright's Disease, Bruises, Catarrh (in all its forms) Constipation, Corpulency, Chlorosis, Debility, Dysentery, Dysmenorrhea, Dropsy, Diabetes, Eczema, Erysipelas, Eye Diseases, Female complaints, Gout, Gall Stones, Gastritis, Hives, Indigestion, Influenza, Insomnia, Intemperance, Jaundice, Kidney Disease, La Grippe (and resultant evils), Leucorrhoea, Liver complaints, Malaria, Measles, Nephritis, Pimples, Quinsy, Rheumatism (in all its forms), Syphilis, Scrofula, Sick Headache, Skin Disease, Spasms, Sterility, Tetanus, Urinary Troubles, Venereal Diseases, White Swellings, have all been benefited here, and most cases completely cured.

A CASE OF 24 BOTTLES FOR ONLY \$3.00
Preparations have been perfected for bottling these waters at the Springs, in such manner, that there is no loss of their valuable medicinal qualities.
George A. Strickfaden after taking several weeks' treatment at the springs with such good results, has decided to give his friends a chance to test their wonderful curative qualities. With this end in view he has taken the agency for the waters and will keep a supply in cold storage ready for use. Orders may be left at the post office or at his place of business and a case of the water will at once be delivered at your own door. Apply to him for a pamphlet of 36 pages, containing analysis, testimonials and full particulars of these wonderful waters.

SPEAR HEAD possesses more qualities of intrinsic value than any other plug tobacco produced. It is the sweetest, the toughest, the richest. SPEAR HEAD is absolutely, positively and distinctively different in flavor from any other plug tobacco. A trial will convince the most skeptical of this fact. It is the largest seller of any similar shape and style on earth, which proves that it has caught the popular taste and pleases the people. Try it, and participate in the contest for prizes. See that a TIN TAG is on every 10 cent piece of SPEAR HEAD you buy. Send in the tags, no matter how small the quantity.
Very sincerely,
THE F. J. SORG COMPANY, MIDDLETOWN, OHIO.
