One fifth of the total population of Denver is composed of people who went there for their health's sake.

More cases of consumption appear among needle-makers and file makers than any other classes of laborers.

A sponge having a circumference of five feet six inches has been taken from the waters of Biscayne bay, Florida.

There are in the United States seventy thousand bee keepers. The average product of each hive is twenty-two pounds.

A meteorological station has been established at Siberia, Palestine, a place 682 feet below the level of the Mediterranean sea.

Joseph Nicola, a Penobscot Indian, has written a 176-page book telling of the doings of his tribe from way back up to the present year.

The weight of the earth, as calculated by Professor Maskelyne, the astronomer royal of England, in 1774, is 6,000,000,000,000,000,000 tons.

Nothing is wasted in China. The stones of various fruits and the shells of nuts are cleaned, dried and carved into ornaments of the most graceful kind.

All the Chinamen in the United States came from one of the eighteen provinces of the Celestial Empire—most of them from one corner of that province.

The Indians of the Pacific northwest are great admirers of the telephone and they cheerfully pay their money for the fun of talking Siwash over the wires.

Six hundred thousand quarts of strawberries, we are told, were shipped from Ridgely, N. C., this season, which netted the growers \$30,000 over and above all expenses.

Imitation pearls are now made prettier than the genuine. The scales of a little fish that swims in the Mediterranean are pulverized to dust and the most luminous portion of the powder saved. This sparkling dust is then spread on the inner surface of a little glass sphere and your pearl is made. At first the scale dust was spread over the outer surface of the "pearls," but it rubbed off. The pearls made by this process are really prettier than the product of the oyster, but then, they aren't pearls, you know.

We could not improve the quality if paid double the price. DeWitt's Witch Hazel Salve is the best salve that experience can produce, or that money can buy.

MRS. ELMINA HATCH.

## HEART DISEASE 20 YEARS.

Dr. Miles Medical Co., Elkhart, Ind.  
Dear Sir: For 20 years I was troubled with heart disease. I would frequently have falling spells and smothering at night. Had to sit up or get out of bed to breathe. Had pain in my left side and back most of the time; at last I became dropsical. I was very nervous and nearly worn out. The least excitement would cause me to faint. I was

THOUSANDS also much troubled with suffering. For the last fifteen years I could not sleep on my left side or back until I began taking your New Heart Cure. I had not taken it very long until I felt much better, and I can now sleep on either side or back without the least discomfort. I have no pain, smothering, dropsy, no wind on stomach or other disagreeable symptoms. I am able to do all my own housework without any trouble and consider myself cured.

Elkhart, Ind., 1888. MRS. ELMINA HATCH.  
It is now four years since I have taken any medicine. Am in better health than I have been in 40 years. I honestly believe that Dr. Miles' New Heart Cure saved my life and made me a well woman. I am now 62 years of age, and am able to do a good day's work.

**WHY ARE WE HEELER & WILSON'S**

SEWING MACHINES

POPULAR? BECAUSE LADIES BUY THEM LIKE THEM AND TELL THEIR FRIENDS.

Many ladies have used our machines twenty to thirty years in their family work, and are still using the original machines we furnished them a generation ago. Many of our machines have run more than twenty years without repairs, other than needles. With proper care they never wear out, and seldom need repair.

We have built sewing machines for more than forty years and have constantly improved them. We build our machines on honor, and they are recognized everywhere as the most accurately fitted and finely finished sewing machines in the world. Our latest, the "No. 9," is the result of our long experience. In competition with the leading machines of the world, it received the Grand Prize at the Paris Exposition of 1889, as the best, other machines receiving only complimentary medals of gold, silver and bronze. The Grand Prize was what all sought for, and our machine was awarded it.

Send for our illustrated catalogue. We want dealers in all unoccupied territory.

HEAD.—SPEAR HEAD possesses more qualities of intrinsic value than any other plug tobacco produced. It is the sweetest, the toughest, the richest. SPEAR HEAD is absolutely, positively and distinctively different in flavor from any other plug tobacco. A trial will convince the most skeptical of this fact. It is the largest seller of any similar shape and style on earth, which proves that it has caught the popular taste and pleases the people. Try it, and participate in the contest for prizes. See that a TIN TAG is on every 10 cent piece of SPEAR HEAD you buy. Send in the tags, no matter how small the quantity.

Very Sincerely,
