Poultry Pickings.

June hatched chickens will begin to lay in November if kept growing from the time they are hatched.

It is death to the duckling to let him get his back wet. Keep them out of the water until the plumage starts, and then he is safe.

The breeding season being over, dispose of the cocks, for hens lay as well, if not better, and the eggs will keep in good condition longer.

A fowl that is shut up and fed corn and water alone for a few days before being killed is very much better flavored than one that is killed off the range.

Golden Thoughts.

Advice Thought.

Teach men the fact that each person is the master of his own hell and his own heaven, and he will soon decide as to his future.

Keep right on teaching the good for the sake of doing good and being good, and you will be helping to create heaven for now and the future.

When a person tells you all of her aches and pains, ask her to undress and show you just where the hurt is. She will say that you want to insult her, but she is trying to insult you all the time; she is telling of her private affairs, which she might as well show as to be telling of.

Those who are determined to be happy will never remain miserable long enough to grow wrinkled.

The abuse of humanity and helping to make persons worse is the greatest blasphemy against God.

If God sent any one person into this world especially to help better the condition of mankind. He said by that act that He counted the work done for humanity as the work that gave Him the greatest happiness and opened the doors most directly into heaven.

We have no use or house room for any religion that leaves us in doubt as to our future location and occupation.

If my child or friend passes over there before I go, I know that death was kinder to him than to me.

While the world of fashion and foolishness is filling the land with drunkards and women who have ruined themselves, it is gratifying to know that the Salvation Army is winning the lost ones back to the better road that leads to decency and usefulness.

The only way to prepare for the change called death is to live aright from birth, and the only way to live aright from birth is to be the child of parents who understand the law of pre-natal influences that govern to the end of time.

The careless, slovenly, profane, dirty, shiftless parent who has no love of order and determination to observe it, is making millions of steps for the children, and leading them into the backyard of litter farther than into the green and pleasant fields of literature.

The Town Board.

The town board transacted but little business of special importance at their regular monthly meeting Monday night.

The tax levies for the town of Rensselaer were fixed as follows: Corporation, 50c; road, 25c; sinking fund, 15c; special additional, 20c; poll tax 25c; a total of \$1.35 on each \$100. The duplicate was ordered turned over to the county treasurer for collection. By this arrangement town taxes will not be due until April of next year, and the town marshal will be relieved from the work of collecting same.

J. C. Porter resigned as a trustee of Western cemetery.

The report of the engineer on the Washington street improvement from the Makeever House to the river was satisfactory and was approved by the board, and the work accepted. The total cost of the work for the above distance was as follows: Gutters, \$1554.20; rock, \$2,307.88. The town pays for the crossings and the owners of adjoining property the balance.

READ—SPEAR HEAD possesses more qualities of intrinsic value than any other plug tobacco produced. It is the sweetest, the toughest, the richest. SPEAR HEAD is absolutely, positively and distinctively different in flavor from any other plug tobacco. A trial will convince the most skeptical of this fact. It is the largest seller of any similar shape and style on earth, which proves that it has caught the popular taste and pleases the people. Try it, and participate in the contest for prizes. See that a TIN TAG is on every 10 cent piece of SPEAR HEAD you buy. Send in the tags, no matter how small the quantity.

Very sincerely,
THE F. J. SORG COMPANY, MIDDLETOWN, OHIO.
