Good Old Stock

is all very well in everything but merchandise. Then the word OLD clogs the wheels of progress, even if the goods be the very best. We find we have some good old stock on our hands. Won't be here long. It is good stock, though a trifle lagging in step.

ELLIS & MURRAY.

THE PEOPLE'S PILOT.

The coming entertainment to be given under the auspices of the W. R. C. promises to be a rare treat for the amusement loving people. The feature of the occasion is Major R. H. Hendershot, "the drummer boy of the Rappahannock." He will have with him the silver drum, presented by Horace Greeley, together with numerous medals, etc. General admission 15 cents, reserved seats 25 cents, and children under 12 years, 10 cents. Come out and help a worthy cause.

M. F. Chilcote, of this city, is said to have senatorial aspirations. No man in this senatorial district has done more for the Republican party than this gentleman. The empty honor of running for a seat in the upper chamber of our state legislature will hardly pay him for all the service he has given his party these many years. Mr. Chilcote should have been rewarded when his party was in power, when it was able to do something for him.

A. McCoy & Co. are now prepared to make farm loans at 6 1/2 to 7 per cent. depending on the amount desired, with commissions as low as are quoted elsewhere. The usual privilege of partial payments allowed. They would be glad to hear from parties desiring loans. Will cheerfully answer all inquiries. 33-41

Our local department is rather short this week, on account of an unusual rush in our job department, causing us to work day and night in order to satisfy the demands of our patrons. This is, of course, pleasing to us.

The exercises of the school children, on Washington's birthday were said to have been pleasing. The various rooms in both buildings were appropriately draped in bunting and flags for the occasion.

B. F. Ferguson is loaning more money on real estate than any other firm in Jasper or Newton counties. Call and get his terms before you arrange with any one else.

Nathan and Esther Frame, both well known Quaker evangelists will shortly begin a series of meetings at the Methodist church in this city.

Towels, napkins and table cloths, all in the special sale, Saturday, March 3d. Chicago Bargain Store.

About seventy persons gathered at the home of Aunt Jane Shaw last Tuesday evening, it being the occasion of Rev. Baech's thirty-first birthday. The visitors contributed refreshments and all in all it was a highly enjoyable affair for all those present. It was quite a surprise to Rev. Baech.

Again we are compelled to crowd out some interesting communications. We hope the writers of the same will kindly bear with us and we shall appreciate the favor. The gravel roads question has taken up a good deal of space and hence the result of the crowding out of several letters.

When you have an item of news, just take the elevator and tell us what it is. Don't forget this.

Born to Mr. and Mrs. George Hollingsworth, a fine boy, on last Saturday.

Several new dwellings will be erected here during the coming summer.

The revival meeting now in progress at the Christian church, under the able guidance of Elder J. L. Brady, are still being conducted with unabated interest. He is greeted nightly by full houses of anxious listeners. As the meeting progresses the interest continues to grow. Much good is being done as is shown by the number of additions to the church, the result of this meeting. At the time of writing there has been thirty-one admissions. This will likely be the last week, although, should the interest continue, the meetings will probably be continued next week.

Should you happen to look out any time this week and see a group of men who appeared anxious and excited, you would know that they were deeply interested in the gravel road question.
