ELLIS & MURRAY.

THE PEOPLE'S PILOT.

A. W. Conner, of Irvington, lectured here last Tuesday evening, to a small audience. We must say for those who was not there that they missed a rare treat. It was first-class and those present enjoyed themselves for a fact. Mr. Conner is a man that will leave an impression, with any audience. We would be glad to have him with us again.

Our better halves say they could not keep house without Chamberlain's Cough Remedy. It is used in more than half the homes in Leeds. Sims Bros., Leeds, Iowa. This shows the esteem in which that remedy is held where it has been sold for years and is well known. Mothers have learned that there is nothing so good for colds, croup and whooping cough, that it cures these ailments quickly and permanently, and that it is pleasant and safe for children to take. 25 and 50 cent bottles for sale by F. B. Meyer Druggist.

We doubt if there is a town in the state that has as much musical talent as Rensselaer. Including the college, we have three brass bands, two orchestras, two mandolin clubs, and almost every church has a good choir. Our vocal talent is far above the average and we are certain that we can furnish as good a musical entertainment as the next one. We have music teachers on almost every instrument.

It will be an agreeable surprise to persons, subject to attacks of bilious colic to learn that prompt relief may be had by taking Chamberlain's Colic, Cholera and Diarrhoea Remedy. Those who never read the advertisements in their newspapers miss more than they presume. Jonathan Kenison, of Bolan, Worth, Co., Iowa, who had been troubled with rheumatism in his back, arms and shoulders read an item in his paper about how prominent German citizen of Ft. Madison had been cured. He procured the same medicine, and to use his own words: "It cured me right up." He also says: "A neighbor and his wife were both sick in bed with rheumatism. Their boy was over to my house and said they were so bad he had to do the cooking. I told him of Chamberlain's Pain Balm and how it cured me, he got a bottle and it cured them up in a week. 50 cent bottles for sale by F. B. Meyer, druggist.
