### HERE'S SOMETHING.

We doubt if there is any business that feels the effects of the hard times more than the newspaper business. We do not like to say it, but we have outstanding subscriptions due us, amounting to more than \$500, and we are compelled to ask your assistance. Call and see what your account is, so that it can be adjusted. We need the money. We have to pay spot cash for our paper and it takes money to meet the bills. If you think you are in arrears for your subscription, call and see if it is so. We will be pleased to see you. It is only a dollar here and there, but in the long run it amounts to a great deal.

B. F. Ferguson is still selling, buying and trading in real estate.

Of the many Populist exchangers coming to our office, none spends so much money to get the suppressed Washington news before its readers as the Nonconformist. Yes, suppressed news. What the plutocratic papers have been careful to keep their readers from finding out, the two tireless correspondents of the Nonconformist have dug up and sent to the paper for the benefit of its thousands of readers. Many a secret has thus leaked out that the plutocracy never meant the common workaday people should know. We have made special arrangements whereby we can send the Nonconformist and PEOPLE'S PILOT till January 1st. for \$1.00.

It cures blood and skin disorders. It does this quickly and permanently. Is there any good reason why you should not use DeWitt's Sarsaparilla? It recommends itself. A. F. LONG & Co., Druggists.

### THE PEOPLE'S PILOT.

We had the pleasure of visiting the World's Fair grounds at Jackson Park, last Sunday, and saw what yet remains of that beautiful "White City." The work of demolition is being pushed forward on every hand, and it will not be long until there will be nothing to tell of the great exposition. The greater number of the state buildings are torn way. The Indiana building is standing just as it was during the Fair. About two-thirds of the immense transportation building still stands but is being rapidly razed to the ground, as is also the woman's building. All that is left of the attractive Midway is the Ferris wheel, and that is being torn down, one section already being taken out. There is yet considerable to be seen and it is well worth the visitor's time to take a look at the remains.

"Many of the citizens of Rainsville, Indiana are never without a bottle of Chamberlain's Cough Remedy in the house," says Jacob Brown, the leading merchant of the place. This Remedy has proven of so much value for colds, croup and whooping cough in children that few mothers who know its worth are willing to be without it. For sale by F.B. Meyer, Druggist.

Those who visited the State convention of the People's Party at Indianapolis, report a grand and enthusiastic meeting, and great work throughout the State is expected at the coming election. A good ticket has been placed in the field, one in fact, that will make the old parties get up and hustle if they defeat it.

John Healy has opened a shoe shop in Uncle Charley Rhoades' harness shop, and is now prepared to do all kinds of custom work. His terms are cash to all. If you need repairing done in first class style, give him a call and he will give you satisfaction.

The recent cold snap seem to have affected the corn crop in many places throughout the State. Reports from several counties say that the frost has damaged that crop to considerable extent.

Another cold snap struck this county last Sunday and overcoats, coal and wood was in demand. It really seems as if winter was still lingering in the laps of spring and summer.

Let us remind you that now is the time to take DeWitt's Sarsaparilla, it will do you good. It recommends itself. A. F. LONG & Co., Druggists.

If you haven't paid your subscription for this year, either come and see us or send it in. We need it and need it greatly, too.

Prof. E. W. Bohannon has gone to his home in Booneville to spend his vacation.

Mrs. W. H. Coover and son Clyde, are visiting in Remington.

Ora Yeoman was in Chicago last Sunday.

### IN MEMORIAM.

#### DECORATION SERVICES IN RENSSELAER.

A Large Attendance and a Splendid Program Rendered.

There is no day so dear to the hearts of the old veterans as Memorial Day. It is a day of all days for them. It is then that they can pay no higher tribute to their departed comrades than by strewing beautiful flowers on their graves.

The program, which was published in the PILOT of last week was closely adhered to and was carried out almost to a letter. At 2 o'clock the march to Weston cemetery was begun and the following was the order:

Rensselaer Band.  
Woman's Relief Corps No. 39.  
Rensselaer G. A. R. Post, No. 84.  
Uniform Rank, K. of P.  
Rensselaer Lodge, K. of P.  
Iroquois Lodge I. O. O. F., No. 143.

St. Joseph's College Band.  
Seifert Light Guards.  
Rensselaer Fire Company.  
School Children.  
Citizens in Carriages.

Upon arrival at the cemetery the program that had been arranged was taken up and those who had the pleasure of listening to it were surely benefited. The oration of the day was made by Hon. M. L. Spitzer, and it was certainly well received by the huge audience that had gathered to listen to the exercises.

It was to be heard on all sides that it was the largest crowd that had ever gathered in Rensselaer for the observance of Memorial Day. Everything passed off smoothly and nothing occurred to mar the pleasure of the day.

#### Jordan Township Convention.

The People's party of Jordan township, Jasper county, Indiana, will meet at Egypt school house on Saturday, June 16, 1894, at 2 o'clock p. m., for the purpose of nominating a township ticket as follows: Trustee, assessor and justice of the peace. Let each one consider it his duty to be present.

D. MCGLYNN, Chairman.

Creates health, creates strength, creates vigor; DeWitt's Sarsaparilla. It recommends itself. A. F. LONG & Co., Druggists.

The Monon now has a new time card. The morning train south, that formerly went at 11:10, now goes at 10:53.

Miss Zoe Adams, of South Marion, is visiting friends in Rensselaer this week.

Louie Leopold is here from Chicago, visiting his parents.

#### Benjamin Tuteur.

Benjamin Tuteur, the well known groceryman, died at his home in Rensselaer, last Sunday, May 27th, of liver complaint. He had been ill but a short time when overtaken by death. His funeral was one of the largest that has ever occurred here. Many came from a distance to attend it. Mr. Tuteur had many friends and they regret to learn of his death. The funeral procession was a most impressive one, the Rensselaer band, being at the head, followed by the local lodge of K. of P., of which organization he was a member. The funeral services were conducted at the family residence by Rabbi Cadden, of Lafayette, and Rev. Dr. Utter, of this place. There were many handsome floral pieces from the friends of the deceased, as a tribute of respect to their deceased friend. The remains were interred in Weston cemetery.

I have two little grand children who are teething this hot summer weather and are troubled with bowel complaint. I give them Chamberlain's Colic, Cholera and Diarrhoea Remedy and it acts like a charm. I earnestly recommend it for children with bowel troubles. I was myself taken with a severe attack of bloody flux, with cramps and pains in my stomach, one-third of a bottle of this remedy cured me. Within twenty-four hours I was out of bed doing my house work. Mrs. W. L. Dunagan, Bon-aqua, Hickman Co., Tenn. For Sale by F. B. Meyer Druggist.

E. T. Biggs, of Wheatfield, concluding that it is not good for man to live alone, took his name off of the bachelors' directory, last Sunday, by becoming the husband of Mrs. Maria McNeil, of Wheatfield. Mr. Biggs is a good citizen and we believe that when he learns the ways of the married man will make a choice husband. The PILOT's well wishes go with the happy couple.

Sometime ago I was troubled with an attack of rheumatism. I used Chamberlain's Pain Balm and was completely cured. I have since advised many of my friends and customers to try the remedy and all speak highly of it. Simon Goldbaum, San Luis Rey, Cal. For sale by F. B. Meyer, Druggist.

Sam Yeoman has a car load of the celebrated McCormick Reapers and Mowers, and in offering them at prices that cannot be equaled by any other machine. If you are thinking of buying, it will be to your interest to see him.

Children's Day exercises will take the place of the regular services at the Christian church next Sunday morning. All are invited to attend both the morning and evening services.

Johnstown, Pa. was visited by another flood last week, but damage was not so severe as the one in 1889. Several lives were lost and considerable damage has been done to property.

Well, what about the 4th of July? Are we going to celebrate or not? If we are it is about time to make some arrangements in regard to the matter.

We now have a stock of portfolios, "America Photographed." Bring in your coupons and get a set of these beautiful works of art. They are grand.

All those who feel interested in the cleaning up of the Saylor grave yard are requested to meet there on Friday, June 15, 1894.

### SAILED THE SEAS 38 YEARS.

#### One of His Experiences.

For thirty-eight years Capt. Loud followed the sea, most of that time as master of a vessel, and upon retiring from the water was appointed by the Secretary of the United States Treasury to superintend the seal fisheries in Alaska, which position he held five years. He relates one experience as follows: "For several years I had been troubled with general nervousness and pain in the region of my heart. My greatest affliction was sleeplessness; it was almost impossible at any time to obtain rest and sleep. Having seen Dr. Miles' Restorative Nervine advertised I began using Nervine. After taking a small quantity the benefit received was so great that I was positively alarmed, thinking the remedy contained opiates which would finally be injurious to me, but on being assured by the druggist that it was perfectly harmless, I continued it together with the Heart Cure. Today I can conscientiously say that Dr. Miles' Restorative Nervine and New Heart Cure did more for me than anything I had ever taken. I had been treated by eminent physicians in New York and San Francisco without benefit. I owe my present good health to the judicious use of these most valuable remedies, and heartily recommend them to all afflicted as I was."—Capt. A. P. Loud, Hempden, Me.

Dr. Miles' Restorative Nervine and New Heart Cure are sold by all druggists on a positive guarantee, or by Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, or six bottles for \$5, express prepaid. They are free from all opiates and dangerous drugs.
