People's Party Ticket.

For County Clerk,
JOHN A. MCFARLAND,
of Jordan Township.
For County Auditor,
THOMAS H. ROBINSON,
of Gillam Township.
For County Treasurer,
JOHN L. NICHOLS,
of Barkley Township.
For County Sheriff,
ELLIS JONES,
of Carpenter Township.
For County Surveyor,
WALTER HARRINGTON,
of Union Township.
For County Coroner,
M. Y. SLAUGHTER,
of Marion Township.
For Commissioner, 1st District
JOEL SPRIGGS,
of Walker Township.

JOSEPH A. ROBINSON,

For Commissioner, 3rd District,
GEORGE G. THOMPSON,
of Carpenter Township.

For thirty years the Republi-
can party has been appreciating
the dollar, and now the wiser
ones confess the policy all
wrong. Turn them down.

THE daily conversions to bi-
metalism and government own-
ership and operation, of all pub-
lic necessities prove Populists to
be the most advanced thinkers
on all economic questions.

If the Democrats keep on
tinkering with the tariff another
year they will have duties high-
er than McKinley placed them.
What a gag the tariff is anyway.

THE U. S. Supreme Court has
decided in favor of the Indiana
tax law. This decision brings
the railroads to time. They
will now have to pay the taxes
they have been holding back,
which with the penalty attached
will be about two million, two
hundred thousand dollars. The
state's share of this will amount
to a half million; a nice little sum
to apply on our state debt.

EVERY bank failure was for
money; every merchant that
failed lacked the money to meet
his liabilities; every mortgage
that was foreclosed was because
the distressed creditor hadn't
the means of payment; every
factory that has shut down did
so for lack of money to run on,
or to force an extension of spe-
cial privileges; every man, wom-
an or child that has suffered for
food, clothing, fuel or shelter,
has so suffered because they
hadn't the money; the farmers
are poor and don't purchase be-
cause the money volume has
forced prices to a point below
the cost of production, and yet
congress will appoint a commit-
tee to investigate the cause of
the hard times.

Official Call!

FOR THE VARIOU PEOPLE'S PARTY CONVENTIONS.

Congressional, Senatorial and Judicial Conventions.

The People's Party of the 10th
Congressional District will hold
a convention at Logansport on
Thursday, June 7th, 1894, to
nominate a candidate for Con-
gress. FRAZIER THOMAS,
W. H. W. BELL,
NELSON J. BOZARTH,
Congressional Committee.

THE SENATORIAL CONVENTION,

per, Newton, and Benton.

THE REPRESENTATIVE CONVEN-
TION,
comprising the counties of Jas-
per and Newton, and the

JUDICIAL CONVENTION,
of the 30th Judicial District will

ty, Ind., on Friday, June 15,
1894, at 1 o'clock p. m., to nom-
inate candidates as follows: One
candidate for State Senator for
the counties of Jasper, Newton
and Benton. One candidate for
Representative for the counties
of Jasper and Newton and one
prosecuting Attorney for the
30th Judicial District.

The basis of representation to
each of these conventions shall
be one delegate for each voting
precinct.

W. J. McCULLOUGH,
J. U. WILDASIN,
L. L. PONSLE,
Committee.

In compliance with the forego-
ing the Populists of Jasper
county will meet at their respec-
tive voting precincts on Satur-
day, June 9, 1894, and select de-
legates as aforesaid.

L. L. PONSLE,
Chairman.

COXEY has learned that Con-
gress belongs to Wall street.

HARRISON says he is not seek-
ing the presidency, but if every-
body wants him to have it why
of course he will accept. If the
man's modesty don't kill him, we
will insure his life for a thous-
and years.

We are to be treated to an-
other huge farce in the form of
an investigating committee to
ferret out the cause of the hard
times. It is another junketing
frolic by congressional dead-
beats, having a gay old time at
the expense of an already over-
taxed and robbed people.

THE Chicago News is hard to
please. One day it censures
any forcible interference with
the commonwealers, and the
next day it gives undeniable
proof of its desire to see the
whole movement squelched by
the strong arm of military
power.

MORE bonds right away to
"maintain the character of your
money." So hump yourselves,
you chumps, to pay the interest,
but don't fail to vote the old
party ticket, vote her straight,
for don't you see it means more
bonds, more interest, lower
prices, less clothing and scant-
ier meals, and that is about what
you want.

THE Chicago millionaires that
turned bi-metallists recently
have in their circular to the peo-
ple announced an astounding
discovery, that is "when money
is plenty it is more easily ob-
tained." Thank you, gentlemen,
the world would doubtless have
groped on to all eternity in dens-
est ignorance had not your su-
perior wisdom discovered that
long hidden truth.

ANY man or set of men ought
to be "bored for the simples,"
that in view of all the light
thrown on the subject of these
bankers made panics in the past

twenty years by Greenbackers
and Populists, who will ask for
an investigation of the cause of
the hard times. It has been
told hundreds of thousands of
times, but notwithstanding all
that, here it is again, an insuf-
ficient volume of money put
under the control of the banks
with power to contract it at
their will and pleasure. But
but why tell a man a thing when
he has sworn that he won't see,
hear or believe?

THE Bank of Venice was the
longest continuous financial sys-
tem known in history, and the
most successful. It did business
by a system of credits, not re-
deemable in coin. With this
system contraction was impos-
sible. It existed and flourished
for about six centuries (until the
downfall of the Republic), and
never knew a panic. Not so with
the "cash office," a branch which
was opened for a part of this
time, and whose credits were re-
deemable in coin. On two occa-
sions it was compelled to sus-
pend payments, and its credits
fell below par. It was "tided
over" by the aid and influence
of the main bank, whose credits
(remember, not redeemable in
coin—in fact, never to be re-
deemed at all, except the con-
stant redemption of current busi-
ness) for the last four centuries
of its existence were twenty per
cent. above current coin value.
Contrast this with the numerous
and disastrous panics in this and
other countries still persisting
in a metal basis.

The party that inaugurates
the above is certain to have a
great and glorious future. It
should be passed upon by con-
ventions nominating candidates
for congress to be elected next
fall. Support should be given to
candidates pledged to the above,
regardless of party.

LET no true silver man be de-
ceived by this millionaire slump
to bi-metalism, for it does not
mean free coinage at the ratio
of 16 to 1, not at all, but an in-
ternational agreement to use
more silver upon some agree-
ment yet to be reached, may be
16 to 1 and may be (and more
likely) 25 or 30 to 1, for the ratio
for the present is purposely
kept in the back ground. That
John Sherman, the arch enemy
of silver for a quarter of a cen-
tury, and Senator Allison, his
pal in his nefarious schemes
against bi-metalism, and all the
millionaire bankers of the nation,
should all at the same time be-
come convinced of an error of
twenty-five years standing, si-
multaneously savors too much of
the marvelous to be gulped down
without some misgivings, and
especially when we are familiar
with the parties and know of
their devious ways. If the peo-
ple can be lulled into security by
this millionaire banker's fad for
bi-metalism, till we are bound by
a fifty years' treaty to use silver
at a ratio of 30 to 1, or therea-
bouts, our slavery will be com-
plete. There is nothing too
good for the people in any meas-
ure that has John Sherman's
hand in it. Free coinage of sil-
ver at the ratio of 16 to 1, is our
position. So stand to your guns
boys and don't be ambushed by
this millionaire banker's move-
ment, headed by that old plotter
of mischief, John Sherman.

WHAT's the use of Congress
appointing a committee to in-
vestigate the cause of the hard
times? It's the tariff, for both
Democrats and Republicans said
so, and who ever knew either
party to lie.
