Four Big Successes.

Having the needed merit to
more than make good all the ad-
vertising claimed for them, the
following four remedies have
reached a phenomenal sale. Dr.
King's New Discovery for Con-
sumption, Coughs and Colds,
each bottle guaranteed—Electric
Bitters, the great remedy for
Liver, Stomach and Kidneys.
Buckley's Arnica Salve, the best
in the world, and Dr. King's New
Life Pills, which are a perfect
pill. All these remedies are
guaranteed to do just what is
claimed for them and the dealer
whose name is attached here-
with will be glad to tell you more
of them. Sold at F. B. Meyer's
Drug Store.

How do you like the reign of
plutocracy?

THE latest news is that the
president has gone to Hog island
and the country is rapidly going
to the devil.

MORE gold going out, more
bonds talked of, more ignorance
manifest, the supply of fools on
the increase. Now what are we
to expect next.

DAN VOORHEES dubs Dave
Hill, a political footpad, and
Dave Hill says that Voorhees is
a political nincompoop, and even-
rybody is wondering how it hap-
pened that these old duffers hap-
pened to tell the truth just once.

IT is now confidently predicted
that Dan Voorhees' "liberal sil-
ver legislation" will come howling
along in the short space of
two or three. You needn't be in
any hurry, Dan, for no one be-
lieved you.

REPEAL the Sherman law, confi-
dence will be restored, gold
will come out of its hiding place,
gold shipments will cease, every
wheel and spindle will be set in
motion, every idle man will be
employed. Whew! didn't they
miss it?

WHEN the late storm struck
the country, the first impression
was that it was the business
boom promised the country when
the purchasing clause of the
Sherman law was repealed, but
later on it was learned to be a
Dakota blizzard finished up by
Labrador.

BILLY OWEN said in his Rens-
selaer speech that threatened
tariff reduction caused the pres-
ent hard times. Didn't suppose
from the number of "culled
gemmes" that Billy had to cook
his grub, care for his silverware
and stand at his back while he
filled his stomach, that Billy had
heard of the hard times, but then
Billy is the working man's can-
didate and must talk of hard
times and the great distress of
us working men, caused by the
rascally Democrats. How us
apples swim.

THE Washington corre-
spondent of the Chicago News says
that Aldrich, Hoar, Gorman,
Brice, Vest and some other old
duffers are having oceans of fun
over the tariff gag. We are not
surprised, for Nero had a jolly
good time playing "Old Dan
Tucker" on his fiddle under sim-
ilar surroundings. The mere
fact that four millions of men
are out of employment and ten
millions are starving, and all
business prostrated and bloody
revolution is imminent, doesn't
in the least interfere with the
joyous time that these old roos-
ters are having at Washington.

We believe that Belshazzar had
a rollicking old time at one per-
iod of his life, and had not Cy-
rus and Almighty God interfered
it is not certain how long the
old bum would have run on with
his hilarities. But when the
fun was at its height an armless
hand came out of the darkness
and wrote a message on the wall
that ended their revelries for-
ever. An experience not unlike
Belshazzar's may be theirs.

That many of them are drunken,
and nearly satiated with plunder
almost every one believes, but
but how they can laugh, joke
and foolishly throw away valua-
ble time amid such awful threat-
nings, seems incomprehensible.

It cures blood and skin dis-
orders. It does this quickly and
permanently. Is there any good
reason why you should not use
DeWitt's Sarsaparilla? It rec-
ommends itself. A. F. LONG &
Co., Druggists.

Sam Yeoman has a car load of
the celebrated McCormick Reap-
ers and Mowers, and in offering
them at prices that cannot be
equaled by any other machine.
If you are thinking of buying, it
will be to your interest to see
him.

TENTH DISTRICT.

**Convention at Logansport Nom-
inates an Able Man.**

The Populists of the Tenth
District met in convention at
Logansport, on Thursday of last
week for the purpose of placing
a ticket in the field. The meet-
ing was one of harmony and was
admirably presided over by the dis-
trict chairman, Frazier Thomas,
of Carroll county. Upon call
the following nominations were
made: Frazier Thomas, of Carroll;
C. E. Carter, of Cass; J. B.
Milroy, of Carroll; S. M. Hathorn,
of Carroll, and D. B. Nowels, of
Jasper. Thomas, Carter and
Nowels declined the nomination.
It was necessary to cast three
ballots before a decision was
reached, and the final vote re-
sulted in favor of S. M. Hathorn,
of Carroll county.

Those attending the conven-
tion from this county were as
follows: D. H. Yeoman, Thos.
Robinson, Geo. Vincent, C. G.
Austin, J. A. McFarland, M. M.
Tyler, D. B. Nowels, M. I. Adams,
W. H. Ritchey, Ad Robinson,
Frank Robinson, John
Nichols, W. B. Yeoman, L. L.
Ponsler, Chas. Stackhouse and
Stimson.

Mr. Hathorn is a man of fine
physique, good address, and has a
liberal education. He is a
minister of the gospel in the
Christian church, and has a pas-
torate which pays him \$1,000 a
year. He believes that all reli-
gious people should come to
the front and lift American poli-
tics out of the slums and the
bum element of society, and
place it on the high plain of
justice, morality and fraternity.
There is not a Populist in the
10th District who will not be
proud of him when they once
hear him speak. He is amply
able, and also willing to meet in
joint discussion any candidate
who may contest with him for
the suffrages of the people of
this district. Every old party
man should hear him. He will
tell you of the wrongs you suffer
and which you help to perpetuate,
so plainly and logically that
you must admit the truth of it,
and yet he will do it so kindly
and pleasantly that it will actu-
ally make you feel good to listen
to him.
