

# I. O. O. F. Decorate the Graves of Departed Brothers at Remington, Last Tuesday.

There is certainly no more fitting tribute to be paid to our departed friends, than by the strewing of flowers on their graves. It is a gentle remembrance that their good deeds are still in our memories.

We had the pleasure of attending this beautiful observance, on last Tuesday, by Schuyler Lodge and D. of R., I. O. O. F., of Remington, and we must say here that the entire program was one of the most beautiful sights we have ever had the pleasure of witnessing. The local lodges at Remington had made great preparation for visiting brothers and sisters and no one who was there went away feeling that they had not been treated right. Everything that could have possibly been done for the gratification of their guests was pleasantly attended to. They tried to make you feel that you were really their guests in every sense of the word, and those who were privileged to attend certainly cannot say that they did not enjoy it.

There were present not less than 250 representatives from the lodges at Remington, Rensselaer, Wolcott and Goodland and at 2 o'clock the procession moved to M. E. church to listen to a masterly address by Bro. David Handley, pastor of the M. E. church of Remington. It was fitting to this occasion and the church was crowded with listeners. Several beautiful musical selections were rendered by a special choir and the Wolcott band. After these exercises, the procession was reformed, and headed by the Wolcott band, marched to the cemetery for the purpose of completing the program by the decoration of the graves of the departed brothers and sisters. This was certainly a memorable occasion for Schuyler lodge and it should be benefited by it in many ways.

There were about forty persons went from Rensselaer to assist in the observance of the day.

Of the many Populist exchanges coming to our office, none spends so much money to get the suppressed Washington news before its readers as the Nonconformist. Yes, suppressed news. What the plutocratic papers have been careful to keep their readers from finding out, the two tireless correspondents of the Nonconformist have dug up and sent to the paper for the benefit of its thousands of readers. Many a secret has thus leaked out that the plutocracy never meant the common workaday people should know. We have made special arrangements whereby we can send the Nonconformist and PEOPLE'S PILOT till January 1st, for \$1.00.

Let us remind you that now is the time to take DeWitt's Sarsaparilla, it will do you good. It recommends itself. A. F. LONG & Co., Druggists.

## Base Ball.

The opening of the base ball season occurred here last Saturday afternoon between the "Models" and a picked nine from Brook, Mt. Ayr, Foresman, Fair Oaks and many other towns throughout the country. Our boys seemed to have the inside track from the first inning and did not let up during the entire game. Thornton and Chamberlain made home runs, the former making two and the latter one. The score was as follows:  
Models—5 0 13 0 6 2 13 5 \*—44  
Brook—0 0 4 0 3 4 4 2 4—19  
Denomie and Lemeaux was the battery for the Models, and Lyons and Small for Brook. Umpires, Spittler and Haskell.

The College Stars, of St. Joseph's College, and the Indian boys, of the Indian Normal School, played a game of ball this week with the following score:  
College Stars—5 0 0 0 0 2 0—7  
Indians—1 1 1 0 0 3 0—6

It was the most closely contested game of the season. Eight games have been played this season between these two clubs in which the Stars won seven and the Indians one.

It is seldom you find a physician whose patients are as well pleased with their treatment as those of Dr. Walter. A gentleman said to our reporter the other day—speaking of the Doctor.
