

TWENTY GOOD REASONS.
Why Working Men Should vote with the People's Party.

F. G. R. Gordon, secretary of the People's party State committee of New Hampshire, has issued a circular giving the following twenty reasons why working men should vote with the People's party:
 It is the only party that stands for the true interests of the wealth producers.
 After twenty five years of democratic and republican rule, we have a debt of \$32,000,000,000, with 9,000,000 mortgaged homes and 4,000,000 out of employment, with 1,014,701 tenant farmers and 2,000,000 tramps. During these twenty-five years the two old parties have given the rich railroad corporations land enough to give us all a farm.
 In 1860 the farmers and wage workers owned 75 per cent of the wealth of the country. Today they own less than 25 per cent.
 In the last ten years our farmers and toilers increased our national wealth \$22,000,000,000, and every dollar of it has gone into the hands of plutocracy.
 Both the old parties are controlled by Wall Street, in the interest of banks, corporations and trusts.
 Neither of the old parties offer a remedy. History does not record a single case of an old party reforming itself.
 THE PEOPLE'S PARTY DEMAND:
 Government ownership of railroads, telegraph and telephones, express lines, mines, and all other natural monopolies.
 A currency, safe, sound, and flexible, issued by the general government only;
 Postal savings banks for the safe deposit of the savings of the people;
 Free and unlimited coinage of gold and silver at the ratio of 16 to 1;
 A graduated income tax;
 That the school age be raised and child labor prohibited;
 That hours of labor for men and women be reduced by legislation.
 The initiative and referendum system for city and state;
 U. S. Senators and President be elected by a direct vote;
 Municipal ownership of natural monopolies such as water works, gas and electric lighting, surface and elevated railroads;
 Public lands reserved for actual settlers;
 Money enough to do business on a cash basis;
 Abolition of interest bearing bonds;
 A government of, by and for the People, based upon the Principles laid down in the Declaration of Independence.
 TO WORKINGMEN.
 You would like steady work, but you vote yourself out of a job.
 You would like eight hours per day, but you vote for ten.
 You would like higher wages, but you vote for a reduction.
 You would like to travel at a third of a cent a mile, but you vote to pay three cents (average).
 You would like to buy coal at \$1.40 a ton, but you vote to pay \$7.00.
 You would like to buy oil at three cents a gallon, but you vote to pay ten cents.
 Free trade England has a terrible panic.
 High protection Germany has a terrible panic.
 High protection United States had a terrible panic in 1872. The tariff has nothing to do with panics. Don't be fooled with tariff talk.
 The two old parties propose to drown the outcries of a plundered people with the uproar of a sham battle over the tariff, so that capitalists, corporations, national banks, rings, trusts, watered stock, the demonetization of silver and the oppressions of the usurers may all be lost sight of.
 The U. S. Census shows that

PAIN AND MISERY
AYER'S SARSAPARILLA
Cures Rheumatism.

 "About 3 years ago, I suffered from what the doctors called rheumatism. Nobody knows the pain and misery which I had to endure and which clung to me in spite of the medicines prescribed. At last, I began taking Ayer's Sarsaparilla. After a short time, the pains ceased. I continued the use of the Sarsaparilla for a whole year, until the rheumatism entirely disappeared."—JAMES WAY, proprietor of livery stable, Rossville, Cal.

each able-bodied worker produces \$10.50 in wealth per day. Under Democratic and Republican rule they get less than \$1.05 each per day. The \$9.45 goes to railroads, corporations, trusts, Shylocks and robbing syndicates.
 The People's Party is founded on justice; composed of men from the common walks of life.
 We invite all who may be in favor of our principles to unite with the Peoples Party in their effort to secure a just Government.

 Of the many Populist exchanges coming to our office, none spends so much money to get the suppressed Washington news before its readers as the Nonconformist. Yes, suppressed news. What the plutocratic papers have been careful to keep their readers from finding out, the two tireless correspondents of the Nonconformist have dug up and sent to the paper for the benefit of its thousands of readers. Many a secret has thus leaked out that the plutocracy never meant the common workaday people should know. We have made special arrangements whereby we can send the Nonconformist and PEOPLE'S PILOT till January 1st, for \$1.00.
 We keep none but first-class workmen. Palace Photo Car, Wheatfield.

A NARROW ESCAPE!
 How it Happened.
 The following remarkable story is a lady's life with interesting details. For a long time I had a terrible pain at my heart, which butted almost incessantly. I had no appetite and could not sleep. I would be compelled to get up in bed and hold my stomach until I thought every minute would be my last. There was a feeling of oppression about my heart, and I was afraid to draw a full breath. I could not even get from my bed without sitting down and resting. But, thank God, by the help of New Heart Cure all that is over and I feel like a new woman. Before using the New Heart Cure I had taken different special remedies and been treated by doctors without any benefit. Until I was both discouraged and disgusted. My husband bought me a bottle of Dr. Miles' New Heart Cure, and on happy to say I have recovered it. As I now have a splendid appetite and sleep well. I weighed 165 pounds when I began taking the remedy, and now I weigh 135. Its effect in my case was to get rid of the blood, it purifies every other medicine I have ever taken or any blood I ever received from physicians. Mrs. Harry Starr, Pottsville, Pa., October 12, 1892.
 Dr. Miles' New Heart Cure is sold on a positive guarantee by all druggists, or by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles \$5, express prepaid. This great discovery by an eminent specialist in heart disease, contains neither opiates nor dangerous drugs.
