

## THAT'S QUEER!

You say a collar and cuff that are waterproof?  
Yes.  
And perspiration will not affect them?  
Yes.  
And when dirty you need only wipe them off with a wet cloth or sponge?  
Yes.  
Wonderful! How are they made?  
A linen collar covered on both sides with waterproof "CELLULOID." Looks exactly like a linen collar.  
Is it the only waterproof collar and cuff made?  
No, but it is the only one made with the linen interlining and consequently the only one that can give entire satisfaction, because it is the best.  
How can I know that I get the right kind?  
Because every piece is stamped as follows:

THE CELLULOID COMPANY,  
425-29 Broadway, NEW YORK.

## TEACHERS MEET.

An interesting session of the County Institute.

The annual session of the Jasper county teachers institute convened last Monday morning in the court house, and will continue the remainder of the week. At the opening there were 101 teachers present to begin the week's work, but the highest attendance at any time was 115. Those present seem greatly interested in the work and the session is one that is greatly beneficial to those who have the pleasure of attending.

The instructors are Prof. Lewis J. Reiter, of the State Normal School, at Terre Haute, and Prof. E. B. Bryan, superintendent of the Kokomo high schools. They are fully able to give the best of instruction to those attending and their talks are more than interesting.

On Monday afternoon Prof. Reiter gave a special talk on "Oliver Wendell Holmes" and it was well received by the teachers, it being both instructive and entertaining in the highest degree. There were quite a number of visitors present to listen to the lecture.

On Tuesday evening Prof. Bryan gave a very interesting lecture on "Co-operation," and the court room was crowded with teachers and visitors who listened with an eagerness. It was a short talk, but was well received by the audience.

The teachers' reunion will occur this evening and a very pleasant time is anticipated by them.

Prof. W. A. Bell, of Indianapolis, publisher of the Indiana School Journal, arrived last Wednesday morning, and will attend the institute in the interest of that publication.

One of the features of this meeting was the lecture given Wednesday evening by Prof. Reiter, on the subject of "Universities." Had we time to go over his talk we know it would be interesting to our readers, but time and space forbid this. In the main, it was well arranged and was delivered in the Professor's usual spicy style that makes his hearers appreciate its entirety.

## The Big Railroad Show Coming.

Reynolds World United Shows, Circus, Menagerie, Moorish Caravan and Royal Roman Hippodrome will exhibit here, Saturday, Sept. 1. The show this year is a wonderful exhibition. More novel and striking features are seldom found under one spread of canvas. The Reynolds Shows of 1891 will long be remembered by those who are fortunate enough to witness it. Be on the street early and witness the grand triumphant street procession which leaves the show grounds promptly at 10 o'clock on the day advertised. Will exhibit here on Saturday, Sept. 1.

Mr. Thomas Batte, editor of the Graphic, Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux. His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I concluded to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering with such a disease, as in my opinion it is the best medicine in existence." 25 and 50 cent bottles for sale by F. B. Meyer, Druggist.

If you have not yet procured one of those pretty watch case openers, get one from your jeweler, or send to Philadelphia. They are furnished free by the Keystone Watch Case Company. Besides making a handsome charm for your chain, they save your finger-nails and knife-blades. The Keystone Company is the largest of its kind in the world, and makes all kinds of cases, from the low-priced nickel to the most expensive solid gold. Its great specialty is the Jas. Boss filled case. Jas. Boss invented and made the first filled case in 1859, and many of the cases then made and worn since are still intact. Later the Boss patents passed into the hands of the Keystone Watch Case Company, which has the sole right to make these cases. Boss cases are known to all jewelers as the standard, after which all other filled cases are patterned. All Keystone cases, Boss cases included, have the far-famed Non-pull-out bow or ring. It is the only bow that is securely fastened to the case, and can only be had on cases made by this Company. It prevents loss of the watch by theft or injury by dropping. These cases are handled by all jewelers, as the Company itself does not retail.

On Aug. 3, Joseph H. Ballard, of Medaryville made application to the county clerk for a marriage license for himself and Miss Bessie Whitaker of Wheatfield township. The license was granted, but the marriage did not take place. Her parents seriously objected on the grounds that she was not of age. The license was returned on Wednesday of last week, and his \$2 was returned to him.

Cy Warman, who wrote the well-remembered "Flyer" article in McClure's Magazine for January, will have an article in the September number describing the marvelous profits that have attended, and the yet more marvelous profits that promise to attend, irrigation in the West. The article will be fully illustrated.

The Dunkards will hold services at the Church of God next Sunday at 3 p. m. Elder G. V. Siles, of Ohio is expected to be present. All are invited to attend.

## The Horses.

The big Reynolds Show which will exhibit here on Saturday, Sept. 1, have a beautiful collection of horses and ponies. Especial attention is called to the drove of ponies some of which are very little larger than dogs.

The little colts born this spring will be a source of wonder and delight to the little ones. The horses are mostly dapple gray and are magnificent specimens. Be sure and see the parade. Remember the date.

At the close of the World's Fair a special agent of the Great Reynolds Shows purchased from the Egyptian Government a herd of racing camels. These animals were sent to this country with the show known as the Wild East, and were allotted space on the Midway Plaisance. The camels are fine specimens of their kind, and were once the private property of the Khedive of Egypt. They will be seen here with the great Reynolds' Shows on Saturday, Sept. 1.

Rev. Minot J. Savage's essay in the September Arena on "The Religion of Walt Whitman's Poems," shows how thoroughly saturated in the greatest and broadest religion is the whole of Whitman's work. It will put the poet and his work in a new light for a great many readers, who have hitherto given them but a cursory and perfunctory attention.

The Republicans of this district, in session last Wednesday, at Logansport, on the eleventh ballot, nominated Dr. J. H. Hatch, of Kentland, as their candidate for congress. The office did not go begging, for on the first ballot there were ten candidates voted for.

## Soldiers' Reunion at Rensselaer, Aug. 29th and 30th, 1894.

The Monon will sell excursion tickets at all stations between Lafayette and Michigan City, on the old line, and Frankfort and Hammond on the new line. All trains on the road will stop at Rensselaer on those two days. Persons coming from Michigan City can come south in the morning, also in the evening Tuesday. Those from the south can come early in the morning or in the evening. All members of the 46th, 47th and 87th regiments will be entertained by our people while here, so the railroad fare will be the only expense they will have. We hope all the surviving members of each of the above regiments, will be present. Come one, all.

A new People's party paper will soon be inaugurated at Hammond.
