CHICAGO BARGAIN STORE.

The **BIG 4** that makes and holds Trade: Stocks, Prices, Quality and Terms.

STOCKS

The Largest in Western Indiana. 18 complete Departments.

PRICES

Always the lowest as it is frequently remarked that we did more to legitimize prices than any store in the county.

QUALITY

The best the market can afford. Sixteen years experience enables us to buy from the leading manufacture.

TERMS

Are strictly one price for cash, which suits the better class of people more than the dishonorable way of asking two prices and take one-half less, then make 50 per cent. profit off the poor that are not posted on the value of merchandise.

REASONS WHY WE LEAD.

FIRST.

We lead in bargains is the reason of our crowded store every day, and on Saturdays 9 clerks cannot wait on near all.

SECOND.

We have a complete department store that others try to imitate by purchasing the same line of goods, for instance, Tinware, "5 and 10 cent counter goods, etc."

THIRD.

We lead in selling goods the honorable way, one price for cash, marked in plain figures, "others pretend to."

A Testimonial, "Forgiven but not Eorgotten."

A few years ago the people of Rensselaer were having the town council pass ordinances to prevent one, B. Forsythe, from doing business there, because he had just moved in. They failed to tax him out and to day he is doing about all the dry goods business in the village. Blessings do come in disguise at times. —White County Democrat.

We are the leader, regulator, and barometer of low prices, for others to copy after. A reduction on all former advertised prices, which were promptly copied by others. Come in and see new list of reduction prices.
