## To Whom It May Concern.

Bro. Jim says that "the Pops are d— fools and the Democrats are mad" and he doesn't think there will be any show for union in '96. He is a straight Democrat and no lover of Republicans, but he will row with the Pops when he finds himself in the same boat. He further says "that the Pops are a small party with a large per cent of cranks." Now if Bro. Jim will leave off his prefix we will almost agree with him, for the Pops who were persuaded to stay away from the election certainly acted foolish, and the Pops who expect to derive any benefit from straight Democrats or Republicans are also. But certainly the most foolish of all were the Democrats who voted the Republican ticket. So if the Democrats are mad at all the fools they are certainly mad at themselves, for they divided their vote and gave enough to the Republicans to give them the victory. As for cranks the most of them and the worst of them are to be found in the two old parties and ever long the people will have to take hold of them and turn them. Now as to union or fusion in '96 we'll suppose Bro. Jim and his crew of straight Democrats still aboard the old Democratic ship with the Republican crew on board. When the Republican crew came aboard and the Democratic ship, throw out the old plank and invite Bro. Jim and his crew to come aboard and join the grand new craft to port. Bro. Jim shakes his head and says: "No we are straight Democrats 'sink or swim survive or perish.' We will stay on the old ship." The Republican crew, seeing them, the stragglers but the stragglers are all gone among the tools! echo answer where.

The truth is that foolish Democrats have done in this election just what foolish Republicans did in the last election. They went from one extreme to the other instead of doing a wiser and better thing by voting the People's ticket, and thus they are disappointed and mad. They have nobody to blame but themselves.

A Pop.

Leaves the Republican Party

WHEATFIELD, IND., NOV. 12, '94

MR. T. J. MCCOY,

Chm. Rep. County Cen. Com.

DEAR SIR:—I hereby tender you my resignation as chairman of the Republican Township Committee for Wheatfield township, and formally withdraw from the Republican party.

I assure you that I do not take a step without fully understanding and realizing its consequences. It is no hasty act, but one which has received my most sincere and sober thought. I had always looked to the Republican party as the friend and protector of the weak, defenseless and oppressed among our people. That it ever stood ready to reward and honor those who by earnest and unremitting service had helped to achieve its victories.

But when I see it turn away from the cause of the common people, and fall down before the golden idols of corporate power, when instead of heeding the cry of the oppressed it lends itself a willing tool to oppressors; when it arrays itself with the strong against the weak; when it disregards and treats with contempt the claims of those who have borne the burden of party service in the heat of day and permits a few men a-tuated by their own selfish interests to dictate its policy and elevate to office and leadership men who will do their bidding I deem it time for honorable and patriotic men to withdraw their support from it.

I wish it distinctly understood however, that I am yet a Repub-

## A GREAT SUFFERER FROM— Liver Complaint Cured by the Use of AYER'S PILLS

Received Highest Awards AT THE WORLD'S FAIR

Dear Sir:—I am a sufferer from liver complaint, which caused severe pains under the right side, from under the right shoulder blade, sallowness of the skin, low-spiritedness, and cramp in the stomach. I am pleased to be able to state that I have been relieved of all these complaints by the use of Ayer's Pills. I find them, also, to be an elegant after-dinner pill."—Mrs. M. A. STEAD, Muncy, Pa.

Yours Respectfully,  
JOHN GRAVES.

## Nothing in This World

Is so cheap as a newspaper, whether it be measured by the cost of its production or by its value to the consumer. We are talking about an American, metropolitan, daily paper of the first class like THE CHICAGO RECORD. It's so cheap and so good you can't afford in this day of progress to be without it. There are other papers possibly as good, but none better, and none just like it. It prints all the real news of the world—the news you care for—every day, and prints it in the shortest possible space. You can read THE CHICAGO RECORD and do a day's work for it. It is an independent paper and gives all political news free from the taint of party bias. In a word—it's a complete, condensed, clean, honest family newspaper, and it has the largest morning circulation in Chicago or the west—125,000 to 140,000 a day.

Prof. J. T. Hatfield of the Northwestern University says: "THE CHICAGO RECORD comes as near being the ideal daily journal as we are for some time likely to find on the mortal shores."

Sold by newsdealers everywhere, and subscriptions received by all postmasters. Address THE CHICAGO RECORD, 181 Madison-st. (2)

## THE CHICAGO TIMES.

Established 1854.

THE PEOPLE'S PAPER.

8, 12 and 16 Pages Daily.

32 to 48 Pages Sunday.

No great daily in the United States is so closely in touch with the people as The Chicago Times. Its policy is progressive, liberal, tolerant. The Times holds that existing social, political, and industrial conditions are not founded upon the principle of equal rights to all and Special privileges to none. That under existing conditions injustice necessarily done the mass of the people. The Times has its own convictions as to how these conditions may be amended. While urging its own beliefs strenuously and intelligently it does not dismiss with contempt or without a hearing the advocates of other economic reforms. The Times is fearless in its utterances and unswerving in its devotion to the great body of the people. The Times believes in free speech, the free coinage of silver, and radical tariff reform. The Times believes in government control of all natural monopolies. The Times believes in such a tax on land values as shall lighten the burden of the farmer and make the owner of valuable city property pay his just share. The Times believes in the wisdom and good faith of the people. The Times prints all the news from all the world in a manner interesting and instructive to all the people.

We have seen a number of watch chains ornamented with a pretty charm in the shape of a watch case opener, which obviates the use of a knife or fingernail to open the watch. They are sent free on request by the Keystone Watch Case Company, of Philadelphia, Pa. Your jeweler here may have one for you; if not, send to Philadelphia.

The Keystone Watch Case Company is the largest concern of its kind in the world. Its capacity is 2500 watch cases per day. It manufactures every description of case, but its great specialty is that most popular of all watch cases, the Jas. Boss gold filled. These are equal in beauty and wear to solid gold—while they cost only about one-half as much. Boss and other Keystone cases are the only cases that have the famous non-pull-out bow or ring, which saves the watch from theft and accident. The Keystone Company does not retail, but our local jewelers handle the cases and swear by the thief-proof

qualities of the ring.

If you have not yet procured one of those pretty watch case openers, get one from your jeweler, or send to Philadelphia.

They are furnished free by the Keystone Watch Case Company.

Besides making a handsome charm for your chain, they save your finger-nails and knife-blades. The Keystone Company is the largest of its kind in the world, and makes all kinds of cases, from the low-priced nickel to the most expensive solid gold.

Its great specialty is the Jas. Boss filled case. Jas. Boss invented and made the first filled case in 1859, and many of the cases then made and worn are still intact. Later the Boss patents passed into the hands of the Keystone Watch Case Company, which has the sole right to make these cases. Boss cases are known to all jewelers as the standard, after which all other filled cases are patterned. All Keystone cases, Boss cases included, have the far-famed Non-pull-out bow or ring. It is the only bow that is securely fastened to the case, and can only be had on cases made by this Company. It prevents loss of the watch by theft or injury by dropping. These cases are handled by all jewelers, as the Company itself does not retail.
