The election is over and we are all waiting for those good times of long expected and long promise to arrive, and wondering if the republican legislature will have nine door-keepers to each door like the democrats did.

We have been in nearly every state and territory in the union and still we say for good health, pure water and fine pasture, Jasper county cannot be excelled and we, of Jasper county need not be ashamed to recommend our soil, water, grass and products to those seeking to buy farms here as for nearness to markets we are in the swim.

R. W. Coats, of Bloomington, Ill., who bought the Cleveland farm, has erected a feed grinder and built a large shed and is paying 40 cts. a bushel for corn and feeding 100 cattle and 50 head of hogs. He is negotiating with some parties in regard to putting in a thousand rods of tile and plowing 200 acres of wild sod. Mr. Coats says we need thorough drainage and we are sure of good crops.

WHEATFIELD.

John Hacks dredge seems to be quite an attraction to Wheatfield's young people.

The Thanksgiving supper given last Thursday eve by the Rathbone Sisters, of Wheatfield, was largely attended, proceeds about \$30. Everybody seemed happy.

Why don't Gabriel tute for the chickens and turkeys to come down off their perch of high calling, or if he has, some of them have failed to come back to their old roost as of yore.

A daughter of John Graves has been very sick the past two weeks threatened with typhoid fever, but is some better at present.

The dance last Thursday night at Fritz Notizen's Hall, was a success owing to the inclement weather. We think the low, heavy fog must have still lowered her wings of vapor towards morning or else some of the guests were still dizzy or excited over the enjoyment of the evening and allowed their team to leave the road and step off the bridge on Main street, just east of town. Fortunately no damage was done more or less than a good shaking-up.

BORN—to the wife of Ed. Sayers, a boy. All are happy.

Anyone wishing to rent a house in town would do well to call on Grandpa Austin.

Miss Rosa Grube and mother were called to San Pierre last Sunday eve, by the death of Miss Kayler, a cousin of Miss Grube's.

Quite a great deal of sickness in our little city of late.

We understand Wheatfield is to be favored with the Buffalo Switch Engine until the first of Jan., 1895.

Has anyone telephoned to old Santa as yet? We think if he would take a peep in at Simon Fendig's show window he would surely not slight us.

David Warne and daughter, of Kansas, are visiting friends in Jasper.

Mrs. D. H. Yeoman has returned from Florida. Her

daughter, Etta, remained in hopes that the southern climate might benefit her health.

A depot and agent are needed very bad at Parr. There is lots of business done here and there would be more if we had an agent.

S. A. Brunsahan made a business trip to Chicago Saturday.

The Rose Bud parsonage is now occupied by the new preacher.

BROOK.

BY OBSERVER.

Farmers done husking.

Weather very damp and gloomy.

Everybody reports a good time Thanksgiving.

Mr. E. Packson returned Tuesday from Springfield, Ill., where he has been visiting his mother.

A. C. Pumphrey spent Thanksgiving in Rensselaer with his parents.

The box supper at the town hall Thanksgiving night was not a great financial success, as they did not do as well as some of the country schools.

B. W. Pumphrey is doing a good business with the Educational Publishing Co., of Chicago, and any one wanting school-room helps will do well to call on or address him as he has the agency of Newton Co.

The canning factory com. returned Saturday night and gave a flattering report. They are all enthused over the result of the investigation and it seems certain of success. It will not only be a benefit to the town but it will be a benefit to the farmers who can raise tomatoes.

THE CHICAGO TIMES.

Established 1854.

THE PEOPLE'S PAPER.

8, 12 and 16 Pages Daily.

32 to 48 Pages Sunday.

No great daily in the United States is so closely in touch with the people as The Chicago Times. Its policy is progressive, liberal, tolerant. The Times holds that existing social, political, and industrial conditions are not founded upon the principle of equal rights to all and Special privileges to none. That under existing conditions injustice necessarily done the mass of the people. The Times has its own convictions as to how these conditions may be amended. While urging its own beliefs strenuously and intelligently it does not dismiss with contempt or without a hearing the advocates of other economic reforms. The Times is fearless in its utterances and unwavering in its devotion to the great body of the people. The Times believes in free speech, the free coinage of silver, and radical tariff reform. The Times believes in government control of all natural monopolies. The Times believes in such a tax on land values as shall lighten the burden of the farmer and make the owner of valuable city property pay his just share. The Times believes in the wisdom and good faith of the people. The Times prints all the news from all the world in a manner interesting and instructive to all the people.

FENDIG'S FAIR.

Nothing in This World

Is so cheap as a newspaper, whether it be measured by the cost of its production or by its value to the consumer. We are talking about an American, metropolitan, daily paper of the first class like THE CHICAGO RECORD. It's so cheap and so good you can't afford in this day of progress to be without it. There are other papers possibly as good, but none better, and none just like it. It prints all the real news of the world—the news you care for—every day, and prints it in the shortest possible space. You can read THE CHICAGO RECORD and do a day's work too. It is an independent paper and gives all political news free from the taint of party bias. In a word—it's a complete, condensed, clean, honest family newspaper, and it has the largest morning circulation in Chicago or the west—125,000 to 140,000 a day.

Prof. J. T. Hatfield of the Northwestern University says: "THE CHICAGO RECORD comes as near being the ideal daily journal as we are for some time likely to find on these mortal shores."

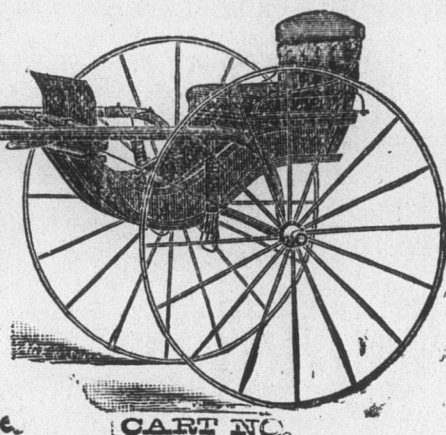

Sold by newsdealers everywhere, and subscriptions received by all postmasters. Address THE CHICAGO RECORD, 181 Madison-st. (2)
