New Bank.

Rumor has it that the Citizens' State Bank is going into voluntary liquidation, and that there is being organized a new state bank, backed by the strongest syndicate ever formed in the county. It is said the directory will represent half a million dollars, and that the new bank will have a local support in its direct or equal in dollars to any bank in Lafayette, Logansport, or other larger towns.

The town of Rensselaer is said to be the wealthiest town in the state for its population, and the fact that we have four banks now running and a fifth strong one now organizing only verifies this fact.

Death of Samuel Long.

Samuel Long died at his residence in Mt. Ayr at 10:30 o'clock Wednesday night of this week, March 16th.

About six weeks ago he slipped on the ice and fell flat on his back receiving a severe shock. He was apparently getting well when on last Sunday he was struck down with paralysis and gradually grew weaker until his death. Deceased has been a resident of Jackson township twenty-eight years. He was a man who had many friends and few enemies. He was never a party to a lawsuit; was a friend to the poor and needy and stood high in the esteem of all who knew him. He suffered much internally during the four days of his prostration. His family was all present but Edward, who was on his way home from Texas at the time.

Recently Mr. Long had rented his farm and moved to Mt. Ayr, where he intended to make his future home, but one week was all the time allotted him in his new home. He came from Ohio to Jasper county where he lived several years, and then located on his farm near Mt. Ayr, where he resided for 28 years. A wife two sons and a daughter (the latter the wife of our former townsman, W. W. Miller) survive him. His nearest relative outside of his own immediate family, is a cousin at Valparaiso. The funeral services and burial will take place at Rensselaer to-morrow.

Newton county has no better man than Samuel Long, and full of years, he goes down to his grave with the greatest tribute any life can earn—the earnest respect and good-will of all with whom he came in contact.—Goodland Herald.
