LOVE THE OLD MAN.

PRINCE BISMARCK HONORED BY ALL GERMANY.

His Birthday Celebration Begins—Germany Full of Enthusiasm—Hope for the Spanish Cruiser Reina Regente—Cable Notes.

Friedrichsruhe, March 26.—Three special trains, leaving on board nearly 400 members of the Reichstag and of the Prussian Diet, arrived here yesterday and were received at the railroad station by Count Herbert Bismarck, Count William Bismarck, Count von Rantzau, husband of Prince Bismarck's daughter, and Count von Waldersee. The deputations proceeded to the castle front, where they were received in a body by Prince Bismarck. Herr von Koeller, president of the lower house of the Prussian Diet, made a speech congratulating Prince Bismarck on the approaching anniversary of his birth. The prince made a speech thanking the deputes for their kind wishes.

Emperor William is expected here to visit Prince Bismarck to-day, and a brilliant military suite will accompany him. A review of a number of troops will also be held here in honor of Prince Bismarck.

Prince Bismarck received the deputations yesterday despite the unceasing warnings of his physician, Dr. Schweninger, and of his secretary, Dr. Chryander, and he will practically celebrate his 80th birthday with the whole of the German people. It is to be hoped the consequent fatigue will not prove too much for his age and remaining strength.

Says Reina Regente May Be Afloat. Madrid, March 26.—The Minister of Marine persists in the belief that there is yet a chance the Reina Regente may be afloat, and that the wreck discovered by the Spanish cruiser Alfonso, near Bajo Aepstones, not far from the Straits of Gibraltar, may be that of a merchant vessel. A cruiser is still searching the Atlantic for the missing warship and will go as far as the Island of Madeira.

Gladstone's Portraits Suppressed. Constantinople, March 26.—The Sultan has ordered that no sale or exhibition of portraits of Mr. Gladstone or Prof. Bryce, president of the British Board of Trade, be permitted in Constantinople. Copies which have been sent to the Armenian clergy have been seized as coming under the classification of "seditious literature."

Spanish Troops Arrive at Cuba. Havana, Cuba, March 26.—The Spanish warship Alfonso XII, has arrived with 750 men. The army oficers were entertained at a grand banquet at the Spanish club.

To Succeed Minister Muruaga. Madrid, March 26.—Senor Dupuy de Lome has been appointed Spanish Minister to the United States in succession to Senor Muruaga.

ANTI-FUSION LAW VALID. First Act of the Present Michigan Legislature Water Tight.

Lansing, Mich., March 26.—The first act of the present legislature to be passed upon by the Supreme court stood the constitutional test. It was the so-called anti-fusion law, which requires that when a candidate is nominated by more than one party he must designate within five days after the next nomination is certified to the election commissioners which of the tickets he wishes his name to be printed in on the official ballot. The court declared that the law comes within the constitutional provision giving the legislature power to pass laws for the purpose of preserving the purity of elections.

GALE FANS A FIRE. Sawmill and Skewer Works Burned at Muncie, Ind., \$32,000 Loss.

Muncie, Ind., March 27.—At noon yesterday, while a gale that was in the form of a small cyclone was blowing, fire started in the old Johnson sawmill, now owned by J. C. Wood & Co., and for a time the Indiana bridge works and a score of residences were in danger. The sawmill and stock, valued at \$12,000, were destroyed, together with the Muncie skewer works, valued at \$20,000. There is \$5,000 insurance on the sawmill and about \$10,000 on the skewer factory. Two Lake Erie & Western box cars filled with lumber burned, causing \$2,000 loss. The bridge works are valued at \$100,000.

Polygamy Prohibited Over. Salt Lake, Utah, March 26.—The committee on ordinance and federal relations submitted a report to the constitutional convention yesterday. The first section is as follows: "No belief toleration of religious sentiment shall be secured, and no in habitants of this state shall ever be molested in person or property on account of his or her mode of religious worship; and polygamy or plural marriage is forever prohibited. The convention adopted a resolution of sympathy for the people of Wyoming in the calamity which overtook them in the Almy mine disaster, and voted on day's salary of members for the relief of the wives and children of the victims.

John Y. McKane Said to Be Insane. New York, March 26.—It is reported that John Y. McKane, the old and political boss of Gravesend, who is now in Sing Sing, is insane. His particular hallucination is that he is to be released from prison, always on the morrow. Every week it is the same.

John King Dangerously Ill. New York, March 26.—Ex-President John King of the Erie railroad is lying dangerously ill at his home. Mr. King who is 64 years old, was elected president of the Erie railroad in November 1884. He was succeeded in December last by E. B. Thomas.

Gen. McClelland on His Feet Again. Springfield, Ill., March 26.—Gen. John A. McClelland was able to go to yesterday and spent a part of the time at his law office. He is still weak, but unless he suffers a relapse he will fully recover and has good prospects for many years more of life.
