With Pleasure

born of experience we beg to inform you that we have this day received from the Continental Tailoring Co., of Chicago, their complete line of samples for the coming spring and summer seasons. It is no exaggeration to say that such an elegant display of woollens has never been issued by any house in the trade. The samples represent all that is choice and fashionable in Custom Tailoring, and comprise suitings in Cheviots, plain black or blue, as well as in all the latest weaves and shades, in wide and narrow wales, silk mixtures in various colors, all the novelties in dress suitings and Overcoats, as well as a handsome selection of Trousersings, to anything ever offered.

The styles are shown in endless variety, patterns never so beautiful, and all at prices so surprisingly low. The superior character of the work turned out by the "Continental Tailoring Company" is accounted for by the fact that all their garments are made in their own work-rooms, special care and attention being given to every detail, consequently we are enabled to guarantee you absolute satisfaction on any order you may place with us. We therefore trust to have the honor of a call from you, and we shall be only too willing to show you through our line, feeling assured that a visit will repay you, and be the means of saving you quite a large amount by the early purchase of a suit, pants or overcoat. Anticipating your commands, Yours very respectfully,
ELLIS & MURRAY
