State Alliance

ments the third Wednesday in December, 1895.

The Farm Record, the official paper of the State Alliance, a 16-page monthly, price 50c a year, will be sent free to every subscriber of the People's Pilot who pays \$1.00 on account, past, present or future. This offer is made in place of any other premium offer.

The Aid Degree has paid over \$20,000 in death accident benefits from January 1, 1894, to February 1, 1895.

An Aid Degree lodge was formed in No. 3,127, Lafayette county, Missouri, last month. Still they come!

Another aid degree lodge was organized in No. 3,065, Lafayette county, Missouri, and a start made in No. 3,064.

A life insurance policy in the Alliance Aid is beyond the reach of the assessor or tax gatherer; the sheriff can never touch it, but at a cost of only about 1 per cent per annum (ranging from half of 1 per cent to 2 per cent) you add \$1,000 to your estate for the benefit of dear ones at the darkest hour they will ever see.

The fraternal orders furnish the cheapest kind of life insurance in the world, and the farmers live longer than other classes, accordingly the death rate is lower than in other occupations — therefore, it naturally follows that life insurance furnished in our own order will be cheaper than in any other order—the cheapest in the world. The following counties in Indiana are now represented in the Aid Degree: Boone, DeKalb, Green, Hamilton, Henry, Madison, Marion and Tipton.
